## **BACKGROUND**

On June 11, 2008, City Council approved a process for tracking formal Inquiries and Motions submitted at Standing Committees and Council. Included in this process was the requirement for Council to receive status updates on these motions and inquiries. Accordingly, this report is being presented to Council for information.

## **DISCUSSION**

As per the process approved by Council, this report includes the status of any outstanding Council inquiries. The report also includes the status of outstanding Council motions and directions to staff, with the actions that will be taken to ensure that both are addressed appropriately. Motions, directions and inquiries initiated at Standing Committee are similarly reported out directly to those Committees

Consistent with Council's direction, the tracking and reporting of formal motions and inquiries is undertaken by the City Clerk's Office. Protocols have also been established within departments to ensure department-specific motions and inquiries are processed in a timely manner. In those instances where there may be a delay, Council will be provided with an explanation.

The list of outstanding Council Inquiries is set out below as Document 1.

The departmental list of outstanding motions and directions to staff is attached as Document 2.
