BACKGROUND

The *Appointment Policy – Council-Appointed Public Members of Committees, Boards and other External Authorities*, revised and approved by City Council on December 7, 2022, outlines the process and requirements for recruiting public members to the City's Committees, Boards and Task Forces, as well as to its External Boards, Commissions and Authorities, for which public members are required.

Advertisements for the current recruitment drive were placed in the Ottawa Citizen and Le Droit beginning December 1, 2022. The Selection Panel for the Mohr's Landing/Quyon Port Authority was comprised of the following:

1. Councillor Clarke Kelly

Their recommendation to Council for the appointment of 1 public member to the Mohr's Landing/Quyon Port Authority is listed in the Recommendations section of this report.

Appointment Reports considered in Open Session

As part of the process to be more proactively transparent about its appointment process, on December 8, 2010, during the 2010-2014 Governance Review, Council approved that going forward reports for Appointments to Agencies, Boards, Committees and Commissions would be considered in open session.

Since Council enacted this change, few privacy issues have arisen. However, should a Member of Council wish to address any issue arising from such reports, it is suggested

that they contact the City Clerk in advance of any meeting to discuss whether or not their concerns should be addressed in open or closed session.

CONSULTATION

Feedback received on past recruitment drives that had been documented was brought forward and considered as part of the planning for the current recruitment drive.

Members of Council were consulted as part of the governance review for 2022-2026, including on the Appointment Policy and recruitment of public members.

The Office of the City Clerk also consulted internally with Gender and Race Equity, Inclusion, Indigenous Relations, and Social Development Services, and Public Information and Media Relations on the current recruitment drive, as well as supporting staff of other committees and boards. Any feedback relayed from public members through their supporting staff was also considered in planning and implementing the current recruitment drive.

ACCESSIBILITY IMPACTS

There are no accessibility impacts associated with the report recommendations.

Accessibility was considered as part of the recruitment process, including communication media, format and content, the application and interview process, and the opportunity for candidates to request accommodations should they be appointed.

INDIGENOUS, GENDER AND EQUITY IMPLICATIONS

A detailed history of recruitment initiatives relating to Indigenous, gender and equity is included in the [2022-2026 Council Governance Review report](#) approved by Council at its December 7, 2022 meeting. See the section of the report entitled “Public appointments to Advisory Committees and other bodies and related policies”.

As described in the report, the Office of the City Clerk consulted the Gender and Race Equity, Inclusion, Indigenous Relations, and Social Development Services, and the Public Information and Media Relations Services. The following measures were developed and implemented as part of the recruitment drive:

Improving content and plain language of recruitment communications

Improved communication makes the recruitment process more approachable and accessible to more residents with a variety of lived experiences. Examples include:

1. Plain language changes to the Appointment Policy and the Participation Expense Policy
2. Providing additional information for the public on ottawa.ca regarding qualifications for each committee and board, and on Selection Panels
3. Hosting a virtual question and answer session which was also published to YouTube

Outreach and messaging to diversity- and equity-seeking groups and partners

Recruitment included proactive outreach, and updated messaging to signal to relevant groups that the City urges them to apply. Examples include

1. The “Diversity on Boards” campaign launched in tandem with the current recruitment
2. Outreach to external professional associations and affinity groups whose members may have relevant specialized qualifications and experience (such as technical or quasi-judicial committees)
3. Outreach to the Anti-Racism Secretariat’s network and the Anti-Racism Advisory Table, the Community Champions Table Network (CCTN), the Integrated Neighbourhood Services Team (INST)’s distribution list, which includes an extensive list of community partners
4. Including a statement in communications urging a diversity of candidates to apply

5. Translating some communication materials to Chinese, Spanish, Tagalog, Arabic and Farsi to be included in print ads, posters, and ottawa.ca.

Application form & applicant data

The application form for the current recruitment included optional self-identification questions, adapting the City's "Count me in" questionnaire for employees. These questions allowed applicants to disclose gender, indigeneity, race, disability, orientation, and newcomer status. This information is available to the Selection Panel members to increase the number of appointees from equity and diversity-seeking groups.

Supporting Selection Panels

The Office of the City Clerk is supporting Selection Panels to view the selection process with a gender and equity lens. Examples include:

1. Preparing an applicant summary grid which includes self-identification information provided by candidates
2. Providing a summary of gender- and equity-related resources relevant to public member appointments
