SUBJECT: OTTAWA POLICE SERVICES BOARD WORK PLAN: 2023

**OBJET: PLAN DE TRAVAIL DE LA COMMISSION DE SERVICES POLICIERS
D'OTTAWA POUR 2023**

REPORT RECOMMENDATIONS

That the Ottawa Police Services Board approve the 2023 Board Work Plan, as endorsed by the Policy and Governance Committee.

RECOMMANDATIONS DU RAPPORT

Que la Commission de services policiers d'Ottawa approuve le plan de travail pour 2023 de la Commission, approuvés par le Comité des politiques et de la gouvernance.

BACKGROUND

The Ottawa Police Services Board's Policy #GA-5 – Board Planning and Performance, stipulates that the Board will follow an annual planning cycle that includes establishing a yearly work plan for the Board and its four committees.

Document 1 contains a draft 2023 work plan for the Ottawa Police Services Board, that has been reviewed by the Policy and Governance Committee and submitted for the

Board's approval. It incorporates the Board's legislative responsibilities as well as a number of initiatives identified after a review of the year-end status of the Board's 2022 work plan, the Auditor General's final report and recommendations, and other current/outstanding issues.

There were a number of outstanding tasks from the Board's 2022 workplan that are not tied specifically to legislative responsibilities but were initiated by the Board prior to 2022 and never completed. These tasks are listed in a separate supporting document (Document 2). The Committee directed that these not be added to the 2023 workplan however if any Board members would like to bring one of the items forward, they could retable the item by way of a new motion.

DISCUSSION

Many of the tasks included in the draft workplan are routine duties that must be performed by the Board each year to meet its legislated monitoring and oversight responsibilities. There are also requirements each year for new or amended Board policies to address Ministry requirements or emerging issues, as well as regular review of existing policies to ensure they remain current.

The Board's annual work plan is typically approved at the start of the year however the development of the draft workplan was delayed due to a number of factors namely:

- Anticipation of a new Board Chair following the City's recruitment process of a new Public Member. The appointment of the new Public Member has since occurred at City Council's April 26 meeting and the election of a new Chair took place on April 28.
- Completion of the Auditor General's review into the convoy response as well as the findings of the Public Order Emergency Commission, to ensure any recommendations applicable to the Board could be included in the workplan.
- Attempts to synchronize the workplan with the development of a new strategic plan for the Service. This is now targeted to be completed in Q2 & Q3.

Since Q1 of 2023 is already completed, some tasks listed in the first quarter have been completed and marked as such.

Prioritization

At the Board's regular meeting in March, the Policy and Governance Committee was referred all outstanding motions that were the responsibility of the Board's Committees,

to be considered for inclusion in the annual workplan. These have been included in Document 2, referenced earlier under the background section of this report.

In light of the number of tasks already committed to through the Board's draft workplan, including the series of recommendations arising from the Auditor General's review of the response to the convoy, as well as considerations such as capacity and the lack of a current strategic plan, the Committee directed that these items not be added to the 2023 workplan. Should a Board member wish to bring one of the items forward, this can be done by way of a new motion.

In order to assist the Board in staying on track with its work plan, the Policy and Governance Committee directed that the Board's Committee meetings be scheduled in advance for the year, based on the timelines outlined in the workplan.

CONSULTATION

The Board's Policy & Governance Committee as well as staff at the Ottawa Police Service were consulted in the development of the draft work plan.

FINANCIAL IMPLICATIONS

It is anticipated that most tasks in the workplan will be completed in-house and/or can be funded by the Board's 2023 budget allocation.

Some tasks may require additional funding, depending on the timing of their implementation, scope, and/or whether the Board procures external assistance. Some examples would include the review of the Board's resourcing requirements, strategic planning, and changes to Board's Legal Services policy.
