**BACKGROUND**

On 11 June 2008, Council approved a process for tracking formal Inquiries and Motions submitted at Standing Committees and Council. Included in this process was the

requirement for Committees and Council to receive bi-monthly status updates on these motions and inquiries. Accordingly, this report is being presented to Committee for information.

## **DISCUSSION**

This report includes the status of any outstanding inquiries and integrates the status of outstanding motions and directions to staff, with the actions that will be taken to ensure that both are addressed appropriately.

Consistent with Council's direction, the tracking and reporting of formal motions and inquiries is undertaken by the City Clerk's Office. Protocols have also been established within departments to ensure department-specific motions and inquiries are processed in a timely manner. In those instances where there may be a delay, Council will be provided with an explanation.

The departmental list of outstanding motions and directions to staff is attached as Document 1.
