City of Ottawa  
Committee of Variance  
101 Centrepoint Dr.  
Ottawa Ontario

Dear Committee:

I am respectfully requesting a variance to build a screened in porch in my back yard, on top of my existing back deck.

I believe that the variance is minor; that the variance will allow a wonderful addition and enhancement to our use of the property during the spring, summer and fall months. That the general intent and purpose of the zoning by-law is maintained; and that the general intent and purpose of the Official Plan is maintained.

Trusting this is satisfactory.

A handwritten signature in black ink that reads "Mark Klyman". The signature is written in a cursive style with a long, sweeping underline.
