Quartier : À l'échelle de la ville

REPORT RECOMMENDATION(S)

That the Transportation Committee receive this report for information.

RECOMMANDATION(S) DU RAPPORT

Que le Comité des transports prenne connaissance de ce rapport.

BACKGROUND

On 11 June 2008, Council approved a process for tracking formal Inquiries and Motions submitted at Standing Committees and Council. Included in this process was the

requirement for Committees and Council to receive status updates every two months on these motions and inquiries. Accordingly, this report is being presented to Transit Commission for information.

DISCUSSION

This report includes the status of any outstanding inquiries and integrates the status of outstanding motions and directions to staff, with the actions that will be taken to ensure that they are addressed appropriately.

Consistent with Council's direction, the tracking and reporting of formal motions and inquiries is undertaken by the Office of the City Clerk. Protocols have also been established within departments to ensure department-specific motions and inquiries are processed in a timely manner. In those instances where there may be a delay, Council will be provided with an explanation.

There are no outstanding inquiries.

The departmental list of outstanding motions and directions to staff is attached as Document 1.

FINANCIAL IMPLICATIONS

There are no financial implications associated with receiving this report for information.

LEGAL IMPLICATIONS

There are no legal implications associated with receiving this report for information.

COMMENTS BY THE WARD COUNCILLOR(S)

This is a city-wide report.

ADVISORY COMMITTEE(S) COMMENTS

No advisory committees were consulted in the preparation of this information report.

CONSULTATION

This report is administrative in nature and therefore no consultation was required.

ACCESSIBILITY IMPACTS

There are no accessibility implications associated with this report.

RISK MANAGEMENT IMPLICATIONS

There are no accessibility implications associated with this report.

RURAL IMPLICATIONS

There are no rural implications associated with this report.

TERM OF COUNCIL PRIORITIES

This report has no direct impacts on the City's strategic priorities or directions identified for the current Term of Council.

SUPPORTING DOCUMENTATION

Document 1 – Departmental List of Outstanding Motions and Directions

DISPOSITION

This report is for information purposes. The Committee Coordinator will continue to track all motions and inquiries made at Transit Commission and report every two months.

Motion Number	Subject	Meeting Date	Moved by	Referred to (lead department)
Direction to Staff	Staff directed to explore opportunities to coordinate road and sidewalk maintenance at school loading zones, partnerships with school boards for winter maintenance activities to keep sidewalk edges in front of school loading zones clear.	9-Feb-15	M. Fleury	Public Works and Environmental Services Department
Direction to Staff	Staff directed to review its winter maintenance standards to improve the condition of the roads, sidewalks, and other pedestrian facilities. Staff to bring forward report as part of 2022 budget.	3-Apr-19	T. Kavanagh	Public Works and Environmental Services Department
Direction to Staff	Staff directed to work with interested Councillors, Bike Ottawa, and other stakeholders towards formally submitting concerns to the Province and Federal Governments on the lack of national standards of E-Cargo bikes.	1-Sept-21	J. Leiper	Transportation Services Department
TRC 2021-2022/2	Staff directed to investigate locations for Speed Cameras to reduce high-speed drivers. Staff is also directed to pilot the installation of the Automated Speed Enforcement Cameras at two locations and report back for the 2024 Road Safety Action Plan Annual report. Two additional locations can be installed based on rate of incidence in communities with high pedestrian modal share.	6-Oct-21	D. Deans	Public Works and Environmental Services Department
	Staff directed to develop and implement an awareness campaign geared to educate and inform all road users- on red revert feature and how it works, including sensors and timing, and how to safely and legally enter an intersection.	1-Dec-21	J. Leiper	Public Works Department

Motion Number	Subject	Meeting Date	Moved by	Referred to (lead department)
	Staff directed to undertake a review of the amber lock signal feature throughout 2022/2023 and report back on the outcome of the review as part of the Road Safety Action Plan in Q4 2023.	1-Dec-21	J. Leiper	Public Works Department
	Staff report back to Committee in 2023 with the results of a comprehensive review as to the feasibility of permitting resident or community group landscaping projects within the Right of Way, as well as recommendations concerning its implementation, including any necessary internal resources, by-law amendments, associated procedural and permitting requirements, and an analysis or recommendation of any broader programs or funding that could support the above framework.	4-May-22	L. Dudas	Planning, Real Estate and Economic Development Department
ACS2023-OCC-CCS-0049	Direct staff that the speed limit on Woodroffe Avenue between Richmond Road and Carling Avenue be reduced to 40 kph permanently to put community safety ahead of motor vehicles.	27-Apr-23	L. Johnson	Public Works Department
ACS2023-OCC-CCS-0060	Direct staff—in the upcoming review of sidewalk design guidelines—give consideration to the two current sidewalk designs (ramp- and drop-style), as well as giving consideration to an alternate design in which	27-Apr-23	S. Menard	Public Works Department

Motion Number	Subject	Meeting Date	Moved by	Referred to (lead department)
	the full width of the sidewalk remains flat and level, with a mountable curb serving to provide driveway access			
Direction	That staff be directed to report back with respect to the matter of growing food on the right-of-way before the end of Q2 2024 based on information received from Public Health Ontario	22-Jun-23	S. Devine	Planning, Real Estate and Economic Development Department
TRC 2023-06-03	That staff be directed to include as part of the proposed amendments to the Use and Care of Roads By-law a list of terrestrial plants prohibited from planting in right-of-ways,	22-Jun-23	L. Johnson	Planning, Real Estate and Economic Development Department
Direction	Staff review short term options to improve cycling safety at Gladstone Avenue and Rochester Avenue intersection	22-Jun-23	A. Troster	Planning, Real Estate and Economic Development Department
