Drinking Water Quality Management System
2022 Management Review Report and Operational Plan

File No. ACS2023-IWS-WF-0004 – City-wide

Report Recommendations

**That the Environment and Climate Change Committee recommend that
Council:**

- 1. Receive the 2022 Management Review report of the Drinking Water Quality Management System, and**
- 2. Endorse the Drinking Water Quality Management System Operational Plan**

At the outset, Ms Gen Nielsen, Director, Water Facilities and Treatment Services, Infrastructure and Water Services Department (IWSD) introduced Ms Marilyn Journeaux, Water - Linear and Customer Services, IWSD. They spoke to provide a brief verbal overview of the report, and then responded to Members' questions.

At the conclusion of Committee discussions, the report recommendations were put before the Committee and were 'CARRIED', as presented.
