

**2. Solid Waste Services 2026 Residential Curbside Collection Contract**

**Services des déchets solides : Contrat de collecte des déchets résidentiels  
2026**

**Committee Recommendations**

**That Council:**

- 1. Approve the proposed solid waste collection service level changes and receive an update on the procurement of the 2026 Curbside Collection Contract as described in this report; and**
- 2. Approve the use of private landfills to divert approximately 60,000 tonnes of curbside garbage from the Trail Waste Facility Landfill, annually, over the term of the 2026 Curbside Collection Contract as described in this report; and**
- 3. Direct staff to review the approach for the future use of private landfills, including a full cost-benefit analysis and report back to Council; and**
- 4. Assign the expanded Zone 3 to the In-House Collections Group for curbside collection; and**
- 5. Direct staff to consult with CUPE Local 503 with respect to the terms and conditions of hiring the workers of the In-House Collection Group in order to implement a permanent In-House Collection Group as described in this report and Document 1; and**
- 6. Delegate the authority to the General Manager of the Public Works Department to make the related amendments to the Solid Waste Management By-law (No. 2012-370) to implement the changes to curbside collection, as outlined in this report.**

**Recommandations du Comité**

**Que le Conseil :**

- 1. approuve les changements que l'on propose d'apporter aux niveaux de service de collecte des déchets solides et se saisisse d'une mise à jour apportée au**

**projet de marché public du Contrat de collecte des déchets en bordure de rue 2026 selon les modalités exposées dans ce rapport;**

- 2. approuve l'utilisation des décharges publiques pour réacheminer environ 60 000 tonnes de déchets déposés en bordure de rue au lieu de les enfouir dans la décharge contrôlée du chemin Trail, et ce, chaque année, pendant la durée du Contrat de collecte des déchets en bordure de rue 2026 selon les modalités exposées dans ce rapport;**
- 3. demande au personnel de revoir l'approche adoptée pour l'exploitation éventuelle des décharges privées, dont l'analyse complète des coûts et des avantages et le rapport à déposer auprès du Conseil municipal;**
- 4. attribue la Zone 3 élargie au Groupe interne de collecte des déchets pour le ramassage des déchets en bordure de rue;**
- 5. demande au personnel de consulter la section locale 503 du SCFP au sujet des modalités d'embauche de travailleurs du groupe interne de collecte des déchets pour en faire un groupe permanent, comme le précisent ce rapport et le document 1;**
- 6. délègue au directeur général de la Direction générale des travaux publics le pouvoir d'apporter les modifications afférentes au Règlement sur la gestion des déchets solides (no 2012-370) afin de mettre en oeuvre les changements à apporter dans la collecte des déchets en bordure de rue, selon les modalités exposées dans ce rapport.**

Solid Waste Services 2026 Residential Curbside Collection Contract

ACS2023-PWD-SWS-0004 – City-wide

**Report Recommendations**

**That the Environment and Climate Change Committee recommend that Council:**

- 1. Approve the proposed solid waste collection service level changes and receive an update on the procurement of the 2026 Curbside Collection Contract as described in this report; and**
- 2. Approve the use of private landfills to divert approximately 60,000 tonnes of curbside garbage from the Trail Waste Facility Landfill, annually, over the term of the 2026 Curbside Collection Contract as described in this report; and**
- 3. Direct staff to review the approach for the future use of private landfills, including a full cost-benefit analysis and report back to Council; and**
- 4. Assign the expanded Zone 3 to the In-House Collections Group for curbsidecollection; and**
- 5. Direct staff to consult with CUPE Local 503 with respect to the terms andconditions of hiring the workers of the In-House Collection Group in order toimplement a permanent In-House Collection Group as described in thisreport and Document 1; and**
- 6. Delegate the authority to the General Manager of the Public WorksDepartment to make the related amendments to the Solid**

**WasteManagement By-law (No. 2012-370) to implement the changes to  
curbsidecollection, as outlined in this report.**

Prior to the Committee's consideration of this item, Chair Menard provided some introductory remarks to preface a short explanatory video on the subject of Ottawa's Green Bin Program and Composting Process.

The Committee then heard from Ms Shelley McDonald, Director, Solid Waste Services, Public Works Department (PWD), and Ms Andrea Gay Farley, Program Manager, Program Planning, PWD, who spoke to a detailed slide presentation which served as an overview of the report. Copies of the video and slide presentation are held on file with the Office of the City Clerk. The presenters also responded to Members' questions.

At the conclusion of discussions, the report recommendations were put before Committee and were 'CARRIED', as presented.

**Carried**
