A site visit revealed that there are no trees protected under City of Ottawa tree by-laws on this property. There are also no adjacent city trees, or trees greater than 30 cm on adjacent properties that will be impacted by the development, and, therefore, no Tree Information Report is required.

The undersigned personally inspected the property and issues associated with this report on June 9, 2023. On Behalf of Dendron Forestry Services,

Kevin Myers, MFC, R.P.F. in Training
