RE: TREE INFORMATION REPORT FOR 289 JOFFRE-BELANGER WAY

Dear Joseph,

Further to your request, this brief letter report provides a review of the above noted address in terms of tree information in support of the redevelopment of 289 Joffre-Belanger Way in Vanier. The need for this report is related to trees protected under the City of Ottawa’s Tree Protection By-law (By-law No. 2020-340).

I can confirm the property holds no ‘distinctive’ trees, those 30cm in diameter or greater, nor are there any similar-sized trees on adjacent private property. Further, no trees are present on nearby city-owned land. Consequently, there are no relevant trees to report.

Please do not hesitate to contact me with any questions or comments you may have.

Yours,

Andrew K. Boyd, B.Sc.F, R.P.F. (#1828)
