22. NON-COMPETITIVE PURCHASES

(1) The requirement for competitive bid solicitation for goods, services and construction may be waived under joint authority of the appropriate Director and Supply Branch and replaced with negotiations by the Director and Supply Branch under the following circumstances:

- (a) where competition is precluded due to the application of any Act or legislation or because of the existence of patent rights, copyrights, technical secrets or controls of raw material.
- (d) where there is an absence of competition for technical or other reasons and the goods, services or construction can only be supplied by a particular supplier and no alternative exists.
