BACKGROUND

The purpose of this report is to present to the Board a review of delegation of authority contracts awarded for the period of January 1, 2023 to June 30, 2023.

The Delegation of Authority By-law delegates certain authorities related to financial, legal, and organizational matters. With respect to financial matters, the by-law states that the Medical Officer of Health is authorized to approve, amend, extend and execute service agreements and funding agreements.

The City's Purchasing By-law, being By-law No. 50 of 2000, requires reporting on a semi-annual basis of delegation of authority reports. Purchasing activities associated with the Purchasing By-law over \$25,000 are included in this report.

In previous years, the Delegation of Authority Report has been developed using data based on Purchase Orders issued within the Delegation of Authority period. The new procurement system, Ariba, provides the option to report the total expected expenditures of the contract, including optional years approved but not committed, which better aligns with the requirement of the bylaw.
