PLANNING, REAL ESTATE AND ECONOMIC DEVELOPMENT DEPARTMENT

Planning, Real Estate and Economic Development Department staff will be available at the meeting to respond to questions if required

FINANCIAL IMPLICATIONS

Through a Memorandum of Understanding, Katasa Group would provide a voluntary contribution of \$100,000 for Ward 17 traffic calming and \$200,000 for affordable housing in Ward 17. The funds would be held in a deferred revenue account until such time that capital projects are initiated that align with the intended use. The voluntary contribution is separate from statutory requirements applied to associated planning applications.

LEGAL IMPLICATIONS

Legal Staff will be available at the meeting to respond to questions if required.

Disposition:

If carried at Committee, this motion will be submitted to City Council for consideration on 6 December 2023.

Staff in the Planning, Real Estate and Economic Development will implement the recommendations in this motion, as appropriate.
