### **BACKGROUND**

On Wednesday, March 23, 2022, City Council approved the staff report titled "<u>Update</u> on the 2022 <u>Municipal Elections and Amendments to Election-Related By-laws and Policies</u>" which included recommendations to establish the 2022-2026 Election Compliance Audit Committee (the "Committee"), pursuant to Section 88.37 of the *Municipal Elections Act, 1996* (the "MEA"). The 2022-2026 Committee's term of office began on Tuesday, November 15, 2022, and will end on Saturday, November 14, 2026.

The Committee is an independent, statutory body whose responsibilities and powers are largely prescribed by the MEA. The Committee is responsible for reviewing and making decisions on applications for municipal election campaign finance compliance audits, and on reports from the City Clerk regarding apparent contraventions of contribution limits prescribed by the MEA, resulting from the regular municipal election or any by-election held during the term of office for the City Council for which the Committee was appointed.

Subsections 88.33(1) and 88.35(1) of the MEA state that any eligible elector who believes that a candidate or registered third party advertiser has contravened the

campaign finance rules in the statute may apply for a compliance audit of that party's election campaign finances, even if they have not filed a financial statement.

Further, Subsections 88.33(7) and 88.35(4) state that within 30 days after the Committee has received the application, the Committee shall consider the application make their decision on whether to grant or reject a compliance audit.

Following the consideration of the application, the Committee will provide their decision and brief written reasons to the candidate or third party advertiser, the City Clerk, and the Applicant.

The decision of the Committee to grant a compliance audit may be appealed to the Superior Court of Justice within 15 days after the decision is made, and the court may make any decision the Committee could have made such as granting or rejecting the request for a compliance audit.

Subsection 88.33(10) of the MEA requires that, if the Committee decides to grant an application, it shall appoint an auditor to conduct a compliance audit of the candidate's or registered third party advertiser's election campaign finances. In accordance with Subsection 88.33(11) of the MEA, the appointed Auditor must be licensed under the *Public Accounting Act*, 2004.

At its meeting on Monday, July 31, 2023, the Committee considered an election compliance audit application for Candidate Doug Thompson of Ward 20 Osgoode from the 2022 Municipal Elections.

Following private deliberations, the Committee carried <u>Motion No. ECAC 2023-02-02</u> with the following direction:

BE IT FURTHER RESOLVED THAT this Committee directs that the Office of the City Clerk in consultation with the Committee's independent legal counsel, initiate a call-up against the City's Standing Offer for Audit Services, and provide the Committee with the proposals received of up to three (3) potential auditors. The Committee will speak to the nature of the compliance audit to be carried out at the time of the auditor's appointment.
