FOR THE INFORMATION OF COUNCIL

(DIRECTION TO STAFF (Councillor J. Leiper)

Sparks St Public Realm Plan

The Sparks St Public Realm Plan was originally approved by Council in 2019, while the last major renewal for Sparks St was in 1989. Sparks St was the first public pedestrian only street in the country and is home to a variety of public assets, including the Bank of Canada museum, a wealth of public art and hosts key events such as Winterlude every year.

All reports that have been released on downtown revitalization, including the recent report from the Canadian urban institute on the state of Canada's downtowns highlight public realm investment as one of the key pillars of successful downtown revitalization. Public realm enhancements have a proven positive impact on physical health, mental well being and public safety.

Significant public realm enhancement and investment have been shown to be one of the cheapest but most effective ways cities can increase private investment and development in an area. While other areas downtown have received significant investment in public realm with projects (Lansdowne, the Byward Market District Authority, the Byward Market Public Realm Plan) Sparks Street requires increased public realm investment to fulfill the vision of a revitalized downtown.

1. That staff engage with the federal government to discuss the status of the Sparks Street public realm plan.
2. That staff report back to committee in Q2 2024 on the outcome of those discussions and updated costing for the Sparks Street public realm plan.

3. That staff prioritize interim repairs and improvements planned for Sparks St Public Realm as far as possible within existing resources in 2024 and provide the councillor's office, the Spark Street BIA, and the Sparks Street Mall Authority of these efforts.

POUR L'INFORMATION DU CONSEIL MUNICIPAL

INSTRUCTIONS AU PERSONNEL (Conseiller J. Leiper)

Plan du domaine public de la rue Sparks

Même si le Plan du domaine public de la rue Sparks a été approuvé par le Conseil en 2019, les derniers travaux importants de réhabilitation de la rue remontent à 1989.

La rue Sparks, qui fut la première rue piétonne au pays, regroupe divers biens publics, dont le Musée de la Banque du Canada, et de multiples œuvres d'art publiques. De plus, elle accueille chaque année des événements importants, comme le Bal de Neige.

Tous les rapports publiés sur la revitalisation des centres-villes, notamment le récent rapport de l'Institut urbain du Canada sur l'état des centres-villes canadiens, soulignent que les investissements dans le domaine public constituent essentiellement la base d'une revitalisation réussie d'un centre-ville. Les améliorations apportées au domaine public ont bel et bien une incidence positive sur la santé physique, le bien-être mental et la sécurité publique.

Il s'est avéré que c'est en améliorant considérablement le domaine public et en investissant dans ce secteur que les villes pouvaient accroître les investissements privés et les aménagements, et ce, d'une manière particulièrement efficace et économique. D'autres secteurs du centre-ville ont bénéficié d'investissements importants dans le domaine public grâce à divers projets. Citons le parc Lansdowne, l'Administration du district du marché By et le Plan du domaine public du marché By. La rue Sparks a désormais besoin de davantage d'investissements dans le domaine public pour que l'on puisse concrétiser le projet d'un centre-ville revitalisé.

1. Que le personnel travaille avec le gouvernement fédéral afin de définir l'état d'avancement du Plan du domaine public de la rue Sparks;
2. Que le personnel présente au cours du deuxième trimestre de 2024 un rapport au Comité faisant état des résultats de ces discussions et de la mise à jour des coûts relatifs au Plan du domaine public de la rue Sparks;

3. Que le personnel accorde autant que possible la priorité aux réparations et améliorations provisoires planifiées pour le domaine public de la rue Sparks, dans le cadre des ressources de 2024, et effectue un suivi de ces efforts auprès du bureau du conseiller, de la ZAC de la rue Sparks et de l'Administration du mail de la rue Sparks.
