DEPARTMENT COMMENTS

DISCUSSION AND RATIONALE

Section 53 (12) of the *Planning Act*, R.S.O. 1990, c .P.13, as amended, permits the criteria for the subdivision of land listed in Section 51 (24) to be considered when determining whether provisional consent may be granted by a committee of adjustment. With respect to the criteria listed in Section 51 (24), staff have no concerns with the proposed consent.

The subject applications propose to convey portions of subject property to the abutting properties to the East, known as 2 Neely Street and 8 Neely Street. Application D08-01-23/B-00357 will result in the conveyance of a parcel with 37.13 metres of frontage along Thomas A. Dolan Parkway, 25.75 metres depth, and 780 square metres in lot area to the abutting property known as 2 Neely Street. Application. D08-01-23/B-00358 will result in the conveyance of a landlocked parcel with a depth of 36 metres and a lot area of 2200 square metres to the abutting property known as 8 Neely Street. If approved, all of the lots affected by the subject applications will meet their respective zoning requirements. Further, the proposed lot line adjustments will enlarge the existing residential lots and move them towards meeting the minimum lot size requirements for new lots on private services prescribed by the Official Plan. As such, Planning staff view the proposed development as acceptable.

ADDITIONAL COMMENTS

Right of Way Management

The Right-of-Way Management Department has **no concerns** with the proposed consent application as there are no requested changes to private approaches. However, the Owner shall be made aware that a private approach permit is required to construct any newly created driveway/approach, or, to remove an existing private approach.

CONDITIONS

If approved, the Planning, Real Estate and Economic Development Department requests that the Committee of Adjustment impose the following conditions on the application:

1. That the Owner(s) file with the Secretary-Treasurer of the Committee of Adjustment the following:
 - a. A copy of the Reference Plan and/or legal description of the severed land and the deed or instrument conveying the severed land to the owner of the abutting property to the west, known municipally as 2 Neely, so that no new lot is being created, in accordance with paragraph (b) below;
 - b. A Certificate of Official attached to the deed/transfer required by paragraph (a) above containing the following endorsement:

“The lands to be severed are for the purpose of a lot addition only to the abutting lands owned by *(insert name)* described as PIN *(insert property identification number)* being Part(s) *(insert numbers)* on Plan *(insert plan number)*, not for the creation of a new lot, and any subsequent transfer, charge or other transaction involving the lands to be severed shall be subject to compliance with Section 50(3) or Section 50(5) of the Planning Act, as applicable. Neither the lands to be severed nor the abutting lands are to be transferred, charged or otherwise re-conveyed in the future without the other parcel unless a further consent is obtained. The Owner shall cause the lands to be severed to be consolidated on title with the abutting lands and for this condition to be entered on the parcel register for the consolidated parcel as a restriction”;
 - c. An Undertaking from a solicitor authorized to practice law in the Province of Ontario, and in good standing with the Law Society of Upper Canada, as follows:

“In consideration of, and notwithstanding the issuance of the Certificate under Section 50(12) of the Planning Act in respect to the subject Application for Consent, I undertake on behalf of the Owner, within **30** days of the registration on title of the transfer document containing the endorsement set out in the Certificate of Official issued by the Committee of Adjustment, to file an Application to Consolidate Parcels including the severed land (Part of PIN (*insert number*)) and the abutting land (*PIN insert number*). This PIN consolidation is intended to reinforce the Planning Act stipulation in the condition outlined above that both parcels have merged on Title and cannot be conveyed separately in the future. I further undertake to forward a copy of the registered Application to Consolidate Parcels and a copy of the Consolidated Parcel abstract page(s) to the Committee office within 21 days of the registration of the Application to Consolidate Parcels”.

- d. Where the parcel consolidation stipulated in paragraph (b) and the solicitor’s Undertaking in paragraph (c) above cannot be reasonably completed because the parcels of land to be merged have different estate qualifiers, an Application to Annex Restrictive Covenant under Section 118 of the Land Titles Act must be registered on the Title of both the severed lands and on the abutting parcel that is to be merged. The Covenant, which is to be to the satisfaction of the Secretary-Treasurer of the Committee, shall advise all future purchasers that the parcels must be dealt with together and not separately, and contain wording set out below or similar wording acceptable to the Secretary-Treasurer of the Committee:

“These lands have been merged and may not be dealt with separately, without applying for a Consent of the Committee of Adjustment”.

In lieu of the Undertaking provided in paragraph (c), a replacement Undertaking by the solicitor must be filed undertaking on behalf of the Owner to register the Restrictive Covenant on both property Titles within 30 days of the registration of the transfer document containing the endorsement of the Certificate of Official issued by the Committee of Adjustment for this application and to file a copy of the registered Restrictive Covenant with the Committee within 21 days of the registration of the document.

2. That the Owner(s) file with the Secretary-Treasurer of the Committee of Adjustment the following:
 - e. A copy of the Reference Plan and/or legal description of the severed land and the deed or instrument conveying the severed land to the owner of the abutting property to the east, known municipally as 8 Neely, so that no new lot is being created, in accordance with paragraph (b) below;

- f. A Certificate of Official attached to the deed/transfer required by paragraph (a) above containing the following endorsement:

“The lands to be severed are for the purpose of a lot addition only to the abutting lands owned by *(insert name)* described as PIN *(insert property identification number)* being Part(s) *(insert numbers)* on Plan *(insert plan number)*, not for the creation of a new lot, and any subsequent transfer, charge or other transaction involving the lands to be severed shall be subject to compliance with Section 50(3) or Section 50(5) of the Planning Act, as applicable. Neither the lands to be severed nor the abutting lands are to be transferred, charged or otherwise re-conveyed in the future without the other parcel unless a further consent is obtained. The Owner shall cause the lands to be severed to be consolidated on title with the abutting lands and for this condition to be entered on the parcel register for the consolidated parcel as a restriction”;
