## **REQUESTED VARIANCES:**

The Owner/Applicant requires the Committee's authorization for minor variances from the Zoning By-law as follows:

- a) To permit outdoor commercial patio within 14.1 metres of a residential zone, where as the Zoning By-law prohibits outdoor commercial patios within 30 metres of residential zones.
- b) To permit an outdoor commercial patio to be located 5.21 metres above the existing grade, whereas the By-law requires outdoor commercial patios to be no higher than 2 metres above ground level.
- c) To permit amplified sound on a commercial patio within 14.1 metres of a residential zone, whereas the Zoning By-law does not permit amplified sound on a commercial patio within 30 metres of a residential zone.
