

- 2. Cycling Facilities on the Maitland Avenue Bridge over Highway 417**
- Infrastructures cyclables sur le pont de l'avenue Maitland enjambant l'autoroute 417**

Committee recommendations

That Council:

- 1. Authorize the General Manager of Planning, Development and Building Services to enter into an agreement (including any amendments, extensions, or renewals) with the Ontario Ministry of Transportation to build new cycling facilities on the Maitland Avenue bridge over Highway 417; and**
- 2. Authorize the financial allocation of the City's Major Active Transportation Structures Program budget to be used to reimburse the Province of Ontario up to a maximum amount of \$5,403,185.84 (includes sunk HST) for the construction of these cycling facilities, as described in the report.**

Recommandations du Comité

Que le Conseil:

- 1. Autorise la directrice générale de la Direction générale des services de la planification, de l'aménagement et du bâtiment à conclure une entente (comprenant toute modification, toute prolongation ou tout renouvellement) avec le ministère des Transports de l'Ontario en vue de construire de nouvelles infrastructures cyclables sur le pont de l'avenue Maitland enjambant l'autoroute 417;**
- 2. Autorise l'affectation financière du budget du Programme des grandes infrastructures pour le transport actif de la Ville pour rembourser la province de l'Ontario jusqu'à concurrence de 5 403 185,84 \$ (y compris le coût irrécupérable de la TVH) pour la construction de ces infrastructures cyclables, tel que décrit dans le rapport.**

Documentation/Documentation

1. Director's report, Transportation Planning Services, Planning, Development and Building Services Department, dated 13 May 2024 (ACS2024-PDB-TP-0002)

Rapport de la directrice, Planification des transports, Direction générale des services de la planification, de l'aménagement et du bâtiment, daté le 13 mai 2024 (ACS2024-PDB-TP-0002)

2. Extract of draft Minutes, Transportation Committee, May 23, 2024

Extrait de l'ébauche du procès-verbal du Comité des transports, le 23 mai 2024

Cycling Facilities on the Maitland Avenue Bridge over Highway 417

File no: ACS2024-PDB-TP-0002– Bay (7), Collège (8)

Andrew Eagen, Project Manager, Cycling & Walking Programs of the Planning, Development & Building Department spoke to a PowerPoint presentation, a copy of which is held on file with the Office of the City Clerk, and answered questions from the Committee.

Kalle Hakala, Program Manager, Active Transportation Planning of the Planning, Development & Building Department also responded to questions.

The Committee heard from the following delegation:

- Diane Harper (Bike Ottawa) was in support but had some concerns with connectivity.

The following written submissions were received by and are filed with the Office of the City Clerk and were distributed to Committee members.

- Josh Franklin – email dated May 20, 2024
- Chris Hircock – email dated May 20, 2024
- Hans Moor – email dated May 21, 2024
- Cassian Soltykevych – email dated May 21, 2024
- Hollis Carlton – email dated May 21, 2024
- Amy Fallis – email dated May 22, 2024

Following discussion on this item, the Committee 'CARRIED' the report as presented.

Report Recommendations:

That Council:

- 1. Authorize the General Manager of Planning, Development and Building Services to enter into an agreement (including any amendments, extensions, or renewals) with the Ontario Ministry of Transportation to**

build new cycling facilities on the Maitland Avenue bridge over Highway 417; and

- 2. Authorize the financial allocation of the City's Major Active Transportation Structures Program budget to be used to reimburse the Province of Ontario up to a maximum amount of \$5,403,185.84 (includes sunk HST) for the construction of these cycling facilities, as described in the report.**
