

**2. Curbside Waste Diversion Policy
Implementation Plan and Operational Readiness Update**

**Politique sur le réacheminement des déchets déposés en bordure de rue :
Compte rendu sur le Plan de mise en œuvre et sur les préparatifs
opérationnels**

Committee Recommendations

That Council:

- 1. Receive an update on the City-wide communications and engagement plan and operational readiness plan in advance of the firm three-garbage item limit being implemented on Monday, September 30, 2024;**
- 2. Approve leveraging the administration of the Yellow Bag Program to accommodate households exceeding three garbage items on any given garbage collection week, based on direction from City Council on June 14, 2023 through Motion no. 2023-16-06, and following consultation with the Solid Waste Planning Council Sponsor's Group;**
- 3. Direct staff to consult with property owners and delegates to explore tailored approaches to mitigate enforcement challenges faced by collections staff for properties with common pad collection and properties with two or more units receiving curbside waste collection services and delegate the authority to staff to take the steps necessary to pilot tailored approaches with willing owners, as outlined in the report, and report back to Council on progress in 2025; and,**
- 4. Receive the results of the Third-Party Review of data used to inform the Curbside Waste Diversion Policy report, appended as Document 1.**

Recommandations du Comité

Que le Conseil municipal :

- 1. prenne connaissance du compte rendu sur le Plan de communication et de mobilisation de l'ensemble de la collectivité et sur le Plan des préparatifs opérationnels en prévision de l'application, à partir du lundi 30 septembre 2024, de la limite ferme de trois articles à jeter;**

2. **donne son approbation pour étendre le Programme de sacs jaunes aux ménages qui déposeront plus de trois articles à jeter pendant les semaines de collecte des ordures, d'après la directive donnée par le Conseil municipal le 14 juin 2023 dans la motion no 2023-16-06 et suivant la consultation du Groupe de conseillers parrains pour la planification des déchets solides;**
3. **demande au personnel de consulter les propriétaires d'immeubles et les délégués afin de se pencher sur les approches personnalisées à adopter pour enrayer les difficultés de l'application des règlements que doit affronter le personnel chargé de la collecte des déchets pour les propriétés qui ont un point de collecte commun et pour les propriétés de deux logements ou plus qui ont droit aux services de collecte des déchets en bordure de rue et déléguer au personnel le pouvoir de prendre les mesures nécessaires pour mettre à l'essai les approches personnalisées avec les propriétaires disposés à le faire, selon les modalités exposées dans ce rapport, et rendre compte au Conseil municipal, en 2025, des progrès accomplis;**
4. **prende connaissance des résultats de l'examen indépendant des données qui ont servi à éclairer le rapport relatif à la Politique sur le réacheminement des déchets déposés en bordure de rue et reproduit ci-joint dans la pièce 1.**

Report Recommendations

That the Environment and Climate Change Committee recommend that Council:

- 1. Receive an update on the City-wide communications and engagement plan and operational readiness plan in advance of the firm three-garbage item limit being implemented on Monday, September 30, 2024;**
- 2. Approve leveraging the administration of the Yellow Bag Program to accommodate households exceeding three garbage items on any given garbage collection week, based on direction from City Council on June 14, 2023 through Motion no. 2023-16-06, and following consultation with the Solid Waste Planning Council Sponsor's Group;**
- 3. Direct staff to consult with property owners and delegates to explore tailored approaches to mitigate enforcement challenges faced by collections staff for properties with common pad collection and properties with two or more units receiving curbside waste collection services and delegate the authority to staff to take the steps necessary to pilot tailored approaches with willing owners, as outlined in the report, and report back to Council on progress in 2025; and,**
- 4. Receive the results of the Third-Party Review of data used to inform the Curbside Waste Diversion Policy report, appended as Document 1.**

The Committee received a detailed slide presentation overview of the report from Ms Shelley McDonald, Director, Solid Waste Service, Public Works Department (PWD), Ms Nichole Hoover-Bienasz, Program Manager, Long Term Planning,

PWD and Mr. Ghislain Lamothe, Manager, Corporate Communications, Public Information and Media Relations. A copy of this presentation is held on file with the Office of the City Clerk.

Mr. Roger Chapman, Director, By-Law and Regulatory Services, Emergency and Protective Services Department, was also present to respond to questions.

Following the staff presentation, the Committee heard from Mr. John Dickie, Chair, Eastern Ontario Landlord Association.

At the conclusion of Committee's questions to the delegation and to staff, and with discussions also having been concluded, the report recommendations were put before the Committee and were 'CARRIED', as presented.
