A site visit revealed that there are no trees on this property that are designated as protected under City of Ottawa tree by-laws. There are also no adjacent city trees or trees greater than 30 cm on adjacent properties that will be impacted by the development and therefore no Tree Information Report is required.

The undersigned personally inspected the property and issues associated with this report on May 27, 2024. On Behalf of Dendron Forestry Services,

Kevin Myers, MFC, R.P.F. in Training
