DEPARTMENT COMMENTS

The Planning, Development and Building Services Department has no concerns with the application.

DISCUSSION AND RATIONALE

The application was previously heard on July 2 and 16, 2024 and was adjourned to allow the applicant an opportunity to address comments from the Ottawa Septic System office.

Staff have reviewed the subject minor variance application against the "four tests" as outlined in Section 45 (1) of the Planning Act, R.S.O. 1990 c. P.13, as amended. Staff are satisfied that the requested minor variance meets the "four tests".

The proposal improves upon the existing front yard setback and complies with all other provisions of the Zoning By-law. The variance is considered minor within this context.

ADDITIONAL COMMENTS

Building Code Services:

That the Owner(s) provide evidence to the satisfaction of the Chief Building Official. or designate, that any other accessory structure which exceeds 10 m2 has been demolished or relocated under the authority of a building permit. Demolition permits have already been obtained for the house and two car garage.

Planning Forestry

Through pre-consultation, potential impacts to neighbouring trees were flagged, and the applicant was advised to engage the neighbouring property owner about any impacts to adjacent trees.
