

# City of Ottawa Long-Term Care (LTC) Services

## Person-Centred Care Steering Committee Membership

---

### **Purpose and Mandate**

The purpose of the LTC Person-Centred Care (PCC) Steering Committee is to provide advice and guidance to the development, implementation and evaluation of a multi-year customized approach to person-centred care within the City's municipal LTC homes.

### **Committee Membership**

The membership of the LTC PCC Steering Committee is structured to provide a balance of perspectives. The Committee is chaired by the City of Ottawa PCC lead.

The committee composition includes a maximum of 14 members, representing the following stakeholder groups/segments:

- LTC Services Management Team
  - Person-Centred Care Leads
    - Director, Long-Term Care Services (Committee Sponsor)
    - Person-Centred Care and Quality Lead (Chair)
    - Strategic Support Coordinator, Long-Term Care
- City of Ottawa Community Services Committee
- LTC Home Residents
- LTC Home Family Councils
- LTC Home Medical Directors
- uOttawa Researchers
- Champlain Region Family Council Network
- Regional Geriatric Program of Eastern Ontario
