

1. Solid Waste Services By-law Update

Mise à jour du Règlement sur les services de gestion des déchets solides

Committee Recommendation(s)

That Council:

- 1. Approve the updated Solid Waste Services By-law substantially in the form attached as Document 1 to be in effect December 2, 2024; and**
- 2. Authorize staff to finalize the proposed Solid Waste Services By-law as further described in this report.**

Recommandation(s) du Comité

Que le Conseil municipal :

- 1. approuve la version à jour du Règlement sur les services de gestion des déchets solides essentiellement sous la forme reproduite dans la pièce 1 et qui doit produire ses effets le 2 décembre 2024;**
- 2. autorise le personnel à finaliser la version proposée du Règlement sur les services de gestion des déchets solides selon les modalités précisées dans le présent rapport.**

Documentation/Documentation

- 1. Extract of draft Minutes, Environment and Climate Change Committee, 15 October 2024.**

Extrait de l'ébauche du procès-verbal, Comité de l'environnement et du changement climatique, le 15 octobre 2024.

- 2. Director's report, Solid Waste Services, Public Works Department, dated 3 October 2024 (ACS2024-PWD-SWS-0005).**

Rapport de la directrice, Services des déchets solides, Direction générale des travaux publics, daté le 3 octobre 2024 (ACS2024-PWD-SWS-0005).

For the Information of Council

The Committee also approved the following direction to staff:

Direction to staff (Councillor D. Brown)

THAT, as part of the 3-item limit roll-out, staff be directed to work with operators and solid waste inspectors to use their discretion for residents whose bins have historically been collected without issue but are somewhat over the 140 litre volumetric limit so long as the bins contain no more than 140 litres of waste, do not exceed weight limits, and continue to meet handle and removable lid requirements.

Pour l'information du Conseil Municipal

Le comité a également approuvé les directives suivantes au personnel :

Instructions au personnel (Conseiller D. Brown)

QU'il soit demandé au personnel, dans le cadre de l'application de la limite de trois articles à jeter, de travailler avec les exploitants et les inspectrices et inspecteurs des déchets solides pour qu'ils usent d'un pouvoir discrétionnaire concernant les résidentes et résidents dont les bacs à ordures ont toujours été ramassés sans problème, mais qui dépassent la limite volumétrique de 140 litres, pour autant qu'ils ne contiennent pas plus de 140 litres de déchets au total, n'excèdent pas les limites de poids, et aient des poignées et un couvercle amovible.

Solid Waste Services By-law Update

File No. ACS2024-PWD-SWS-0005 – City-wide

Report recommendation(s)

That the Environment and Climate Change Committee recommend that Council:

- 1. Approve the updated Solid Waste Services By-law substantially in the form attached as Document 1 to be in effect December 2, 2024; and**
- 2. Authorize staff to finalize the proposed Solid Waste Services By-law as further described in this report.**

At the outset, the Committee received a brief slide presentation overview of the report from Ms. Shelley McDonald, Director, Solid Waste Service, Public Works Department (PWD), and Ms Andrea Gay Farley, Program Manager, Program Planning, PWD.

A copy of this presentation is held on file with the Office of the City Clerk.

The Committee then heard from Mr. James Scott McKillop, who also spoke to a slide presentation to illustrate his points. His presentation and written comments are also held on file with the Office of the City Clerk.

Following questions to staff, the report recommendations were put before the Committee and were 'CARRIED', as presented, along with the following Direction to Staff:

THREE-ITEM LIMIT ROLL-OUT

Direction to staff

Councillor D. Brown

THAT, as part of the 3-item limit roll-out, staff be directed to work with operators and solid waste inspectors to use their discretion for residents whose bins have historically been collected without issue but are somewhat over the 140 litre volumetric limit so long as the bins contain no more than 140 litres of waste, do not exceed weight limits, and continue to meet handle and removable lid requirements.
