Motion Number	Subject	Meeting Date	Moved by	Referred to (lead department)	Status Update
Direction to Staff	Recognizing a gap in the current Vacant Unit Tax (VUT) program's late appeals process, that staff be directed to explore amending the current VUT program that would allow property owners to declare their property status after the established appeal deadlines have passed. This amendment should include a provision for a modest cost recovery fee for late declarations. If the property owner can demonstrate that the property in question was their primary residence, the VUT should be reversed upon successful declaration.	04-Jun-24	C. Kitts	FCSD	In progress
