Transit Services Department 2025 Service Area Summaries

The Transit Services Department operates OC Transpo, Ottawa's public transit network, which supports multiple modes of travel to serve the needs of customers. The department also includes the Rail Construction Program, building the Stage 2 extensions to the O-Train network. Transit Services works continually to provide a safe, reliable, comfortable, courteous and affordable transit service for all. Transit Services aims to build and retain an engaged workforce, and to meet the policy objectives set by Council, Transit Commission and Light Rail Sub-Committee, all within established budgets and in accordance with all regulatory requirements.

OC Transpo Programs/Services Offered

- OC Transpo bus system.
- O-Train Line 1, service between Tunney's Pasture Station and Blair Station (opened in 2019).
- O-Train Line 2, service between Bayview Station and Limebank Station.
- O-Train Line 4, service between Airport Station and South Keys Station.
- Stage 2 O-Train extensions east and west are currently under construction.
- Para Transpo service for customers unable to take conventional transit services.
- All OC Transpo trains and buses are 100 per cent accessible.

The Transit Services Department has six service areas that report to the Transit Commission and one that reports to Finance and Corporate Services Committee (FINCOR).

A description for each is provided further below:

- Safety, Regulatory, Training and Development
- Transit Bus Operations and Maintenance
- Transit Customer Systems and Planning

- Transit Engineering Services
- Transit Service Delivery and Rail Operations
- Transit Strategic Communications and External Relations
- Rail Construction Program (Finance and Corporate Services Committee)

Safety, Regulatory, Training and Development

Safety, Regulatory, Training and Development (SRTD) works closely with all of OC Transpo's service areas in a crossfunctional relationship to achieve organizational safety, security goals, compliance with regulatory and legislative requirements, and risk management. SRTD also develops, coordinates, and delivers training for OC Transpo employees.

Programs and initiatives:

- Implementation and delivery of a Safety Management System and Security Management System including annual reports to council and Transport Canada in accordance with regulatory requirements and industry best practices.
- Ongoing safety oversight through eight active Workplace Health and Safety Committees and one Policy Health and Safety Committee.
- Environmental program management.
- Investigation of safety incidents, identification of corrective actions, and recommendations for their implementation.
- Lead multi-modal after-action debriefs for continuous improvement on large scale or impacting events.
- Develops, implements, and oversees transit emergency plans.
- Ensures regulatory compliance (federal, provincial and municipal) and regulatory filings and submissions to governing bodies.
- Ongoing oversight / auditing of internal and contractor.
- Safety/regulatory focused audits of internal stakeholders to confirm compliance.
- Provides training, certification and development for all rail, bus and maintenance employees.
- Ensures the safety / security of transit customers, employees and assets through a Special Constable program.

Transit Bus Operations and Maintenance

Transit Bus Operations and Maintenance (TBOM) provides the day-to-day delivery of OC Transpo's conventional bus service and Para Transpo operations.

Programs and initiatives:

- The operation and maintenance of administrative and operational facilities throughout the Ottawa transit network.
- Daily operational requirements for service, including fueling and cleaning of buses, routine vehicle maintenance, and completing mandatory Ministry of Transportation (MTO) inspections.
- Enhanced additional preventative maintenance projects, corrective repair activities, and midlife refurbishments of buses.
- Implement integration of new vehicles into revenue and non-revenue fleets, such as zero-emission buses.
- Management of inventory supply chains for all vehicle maintenance.
- Manage the delivery of Para Transpo services, with in-house and contractor support to deliver accessible, door to door service to our Para Transpo customers.
- Workforce Management Administer all frontline booking, timekeeping and special event service support.
- Maintain and enhance bus stops, shelters, and stations.
- Manage and oversee all Transit lifecycle and minor capital projects.

Transit Customer Systems and Planning

Transit Customer Systems and Planning (TCSP) provides customer-facing and departmental services that together support OC Transpo's mandate of delivering efficient, courteous and cost-effective public transit. TCSP innovates the way transit service is delivered, including recent projects expanding payment methods to include credit card and debit payments through O-Payment or exploring new methods of service delivery with the On-Demand Transit pilot project. In addition, TCSP provides research and analysis to inform recommendations to City Council and the Transit Commission on transit system design and budgeting by providing data analysis, customer service best practices and forecasts of affordability.

Programs and initiatives:

- Customer support through the contact centre, customer service centre, lost and found office, and real-time next trip information.
- Support for customers with disabilities, including Para Transpo customers.
- Technology systems to support transit operations.
- Transit system planning, including trip schedules, operator work schedules, service reliability, bus stops, and development review.
- Budget and capital planning.
- Fare systems, including initiatives to expand payment options.
- Strategic initiatives from the five-year roadmap.

Transit Engineering Services

Transit Engineering Services (TES) ensures that all engineering related deliverables in the department are achieved within industry and City standards for safety, reliability, availability, and maintenance.

Programs and initiatives:

- Engineering tasks and project oversight for the O-Train network, as well as electric and diesel bus maintenance programs.
- Manage procurement of both conventional bus and Para Transpo fleets, including infrastructure requirements.
- Manage delivery and integration of new Zero-Emission Buses and the required charging infrastructure.
- Develop and implement engineering policies, programs, and procedures to support safe and reliable transit service.

Transit Service Delivery and Rail Operations

Transit Service Delivery and Rail Operations (TSDRO) is responsible for managing all aspects of bus, O-Train, and Para Transpo service delivery. The Transit Operations Control Centre (TOCC) and field staff provide real-time oversight of the entire transit network to ensure service delivery meets customer requirements.

Programs and initiatives:

- Deliver safe and reliable service through the TOCC and mobile operations teams.
- Rail operational preparedness planning for the future expansions of the O-Train system.
- Develops, implements, and oversees drills and exercises and transit emergency plans.
- Manages O-Train Line 1 and Line 2/4 contracts.
- Develops rail performance metrics and document control for O-Train Line 1 and Line 2/4.

Transit Strategic Communications and External Relations

Transit Strategic Communications and External Relations (SCER) service area provides support and expertise in strategic communications, legislative requirements, media relations, issues management, and business administration. Through its branches, the team supports a wide variety of communications and business functions that support the General Manager and all service areas.

Programs and initiatives:

- Develops external communications products.
- Customer service and transit information and marketing.
- Community and stakeholder relations.
- Legislative support.
- Strategic recruitment campaigns.
- Internal communications and employee engagement.
- Audits and Access to Information requests.
- Provides strategic stakeholder relations, communications, media relations and issues management support for the department.
- Coordinates, monitors, and moderates strategic social media activities for OC Transpo.
