- 5. Approve a 2025 Capital budget of \$1,235,000 for the continued planning, and consultation of a community hub, including the design of expanded recreation and cultural uses at 930 and 1010 Somerset Street.

**Recommandation(s) du Comité telles que modifiées**

**Que le Conseil :**

- 1. Approuve en principe le plan de conception du 930 et du 1010, rue Somerset, tel qu'il est détaillé dans le présent rapport et présenté dans le document 1, et demander au personnel de la Ville de procéder à des modifications de zonage et du Plan officiel afin de faciliter l'aménagement proposé :
  - a. que tout espace occupé par une installation hors terre de système énergétique de quartier ne compte pas comme un terrain à vocation de parc aux fins du calcul de gain net de terrain à vocation de parc; et
  - b. que la conservation des arbres fasse partie intégrante du processus d'examen des projets d'aménagement, dans l'objectif de préserver le plus d'arbres mûrs possible.
- 2. Déclare les parcelles 1 et 2 présentées dans le document 2, propriétés excédentaires situées au 930 et au 1010, rue Somerset, d'une superficie d'environ 0,68 acre et 1,7 acre respectivement, sous réserve d'un levé définitif et d'un morcellement, comme étant des terrains excédentaires.

- 3. Délègue au directeur général des Initiatives stratégiques le pouvoir de négocier, de finaliser et d'exécuter le contrat :**
  - a. Une convention d'achat et de vente pour faciliter la cession en fief simple de la parcelle 1 du document 2, d'une superficie d'environ 0,68 acre, au Conseil des écoles publiques de l'Est de l'Ontario (CEPEO), pour la construction d'une école primaire et d'une garderie, pour une contrepartie de 6 490 000 \$, sous réserve d'ajustements finaux à la clôture; et**
  - b. Une option d'achat en faveur du Conseil des écoles publiques de l'Est de l'Ontario (CEPEO) pour l'aménagement d'un terrain supplémentaire, si nécessaire, en vue de la construction d'un gymnase pour l'école primaire, selon les conditions décrites dans le présent rapport.**
- 4. Renonce à la Politique sur l'aliénation des biens immobiliers, la politique d'Ottawa sur l'acquisition de terrains à vocation de parc et sur le financement ainsi que la Politique sur les terrains et le financement pour les logements abordables et réorienter le produit net de la vente de la parcelle 1 (recommandation 3a) et des terrains inclus dans l'option d'achat (recommandation 3b) vers le compte des immobilisations du 1010, rue Somerset afin de financer la planification, la conception et les travaux sur le site.**
- 5. Approuve un budget des immobilisations pour 2025 de 1 235 000 dollars afin de continuer la planification et la consultation publique concernant le carrefour communautaire, y compris la conception d'espaces récréatifs et culturels élargis au 930 et au 1010, rue Somerset.**

**Carried as amended**

**Motion No. FCSC 2024-20-01**

Moved by J. Leiper (on behalf of A. Troster)

**WHEREAS one of the key areas of community concern identified in the plan is the limited greenspace; and**

**WHEREAS the Ottawa Community Housing project at 930 Gladstone was not required to pay Cash in Lieu of Parkland, or provide a dedication of 10% of the site towards park space; and**

**WHEREAS West Centretown has one of the lowest percentage tree canopies in the City of Ottawa, per the Ottawa Neighbourhood Study, at 13.1% coverage; and**

**WHEREAS West Centretown has one of the lowest percentages of private greenspace in the city, with only 4.6% of land covered by residential parkland; and**

**WHEREAS the Official Plan and the West Downtown Core secondary plan project the addition of roughly 10,000 new housing units in the neighbourhood, and many of these will not have private greenspace; and**

**WHEREAS the high cost of land and existing high density make parkland acquisitions uniquely challenging in Somerset Ward; and**

**WHEREAS finding ways to maximize greenspace in the new development is an ongoing concern that will continue to be relevant as the project progresses through the detailed design phase; and**

**WHEREAS** this concept plan includes provision for 1 hectare of new parkspace, and any changes to the concept plan proposed through the detailed design phase must maintain that provision.

**THEREFORE, BE IT FURTHER RESOLVED** that any land occupied by an aboveground District Energy System aboveground installation not be considered parkland for the purposes of the net parkland gain; and

**BE IT FURTHER RESOLVED** that tree retention be considered and addressed as part of the planning review process, with the goal of preserving as many mature trees as possible.
