APPLICANTS' PROPOSAL / PURPOSE OF THE APPLICATION:

The Applicants want to renovate the existing one-storey, detached dwelling, including the demolition of the existing attached garage and the construction of a new attached garage and second-storey addition, as shown on the plans filed with the Committee.

At its hearing on November 19, 2024, the Committee adjourned the application to allow the Applicants time to apply for an additional minor variance.

REQUESTED VARIANCES:

The Applicants require the Committee's authorization for minor variances from the Zoning By-law as follows:

- a) To permit the entrance to the garage to be 2.4 metres closer to the front lot line than the principal entrance to the dwelling, whereas the By-law requires the entrance to the garage to be set back a minimum of 0.6 metres further from the lot line than either principal entrance or the front edge of a landing or porch.
- b) To permit the entrance to the garage to be 2.4 metres closer to the front lot line than the principal entrance to the dwelling, whereas the By-law permits the entrance to the garage to be a maximum of 0.6 metres closer to the front lot line than the entrance to the principal dwelling.
- c) To permit an increased driveway width of 10.05 metres, narrowing to 6 metres at the street, whereas the By-law permits a maximum driveway width of 6 metres.
