A site visit revealed that there are no trees protected under the City of Ottawa Tree Protection Bylaw (2020-340) on this property. There are also no adjacent city trees, or trees greater than 30 cm on adjacent properties that will be impacted by the development and therefore no Tree Information Report is required.

The undersigned personally inspected the property and issues associated with this report on November 5, 2024. On Behalf of Dendron Forestry Services,
