Dear Sir/Madame:

Re: Application for Consent - Surplus Farm Dwelling Severance
Graham William Ross Green, Applicant
3060 Shea Road, Stittsville, Ontario

The above-referenced application is in connection with a surplus farm dwelling severance.

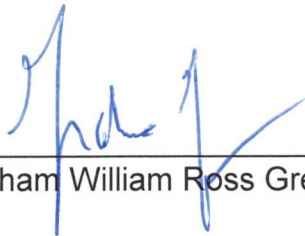

The Applicant wishes to sever a lot containing the dwelling and outbuildings from the surrounding farm land. The proposed severed parcel is approximately 0.97 hectares which encompasses the dwelling and outbuildings. The retained land will consist of approximately 16.5 hectares.

The abutting parcels consist of vacant farm lands which are used to grow crops.

I will be farming the land (alternating between corn, soybean and wheat).

Both the City planner and the RVCA have been contacted and have not provided any objections to the proposed severance. Attached are copies of their emails confirming the same.

Thank you.

Graham William Ross Green
