

2. **Motion – Councillor S. Plante – To develop a plan to install the outstanding 51 warranted PXOs by 2030**
- Motion – Conseillère S. Plante – Élaborer un plan visant à aménager les 51 passages pour piétons en attente aux endroits justifiés d’ici 2030**

Committee Recommendation(s) as amended

That Council direct staff to include in the 2025 Road Safety Action Plan Annual Report a plan, including the estimated required funding, to implement the backlog of Pedestrian Crossovers at all warranted locations city-wide by 2030. Additionally, that staff be further directed to actively seek opportunities to fund the plan to eliminate the backlog by 2030.

Recommandation(s) du comité telles que modifiées

Que le Conseil demande au personnel d’inclure dans le rapport annuel du Plan d’action en matière de sécurité routière 2025 un plan indiquant l’estimation des fonds requis et visant à rattraper le retard dans l’installation de passages pour piétons à tous les endroits où elle est justifiée à l’échelle de la ville d’ici 2030. En outre, qu’il soit demandé au personnel de rechercher activement des possibilités de financer ce plan.

Councillor S. Plante – To develop a plan to install the outstanding 51 warranted PXOs by 2030

File No. ACS2025-OCC-CCS-0027 - City Wide

This item was referred from Council on December 11, 2024 as per Council Motion No. 2024 - 48-11.

Councillor Kitts (on behalf of Councillor Plante) introduced Motion No. 2025-18-02 as a replacement motion for consideration.

Report Recommendation(s)

That Public Works and Infrastructure Committee recommend Council direct staff to develop a plan and timeline that includes the required additional funding within the Road Safety Action Plan (RSAP) Program - funded through the Automated Speed Enforcement and Red Light Camera revenues - to install the outstanding 51 warranted PXOs by 2030, and report back to Transportation Committee and Council by Q4 of 2025, in advance of the 2026 Budget.

Motion No. PWIC 2025-18-02

Moved by C. Kitts

THEREFORE BE IT RESOLVED THAT Public Works and Infrastructure Committee recommend Council direct staff to include in the 2025 Road Safety Action Plan Annual Report a plan, including the estimated required funding, to implement the backlog of Pedestrian Crossovers at all warranted locations city-wide by 2030. Additionally, that staff be further directed to actively seek opportunities to fund the plan to eliminate the backlog by 2030.
