**SUBJECT: OUTSTANDING BOARD INQUIRIES, MOTIONS & DIRECTIONS: APRIL  
2025 REPORT**

**OBJET: DEMANDES, REQUÊTES ET DIRECTIONS DE LA COMMISSION EN  
SUSPENS: RAPPORT POUR AVRIL 2025**

**REPORT RECOMMENDATION**

**That the Ottawa Police Service Board receive this report for information.**

**RECOMMANDATION DU RAPPORT**

**Que la Commission de service de police d'Ottawa prenne connaissance du  
présent rapport à titre d'information.**

**BACKGROUND**

All inquiries and motions raised at meetings of the Ottawa Police Service Board that require follow up action or response are recorded and monitored. Once a response is received at a subsequent Board meeting, the outstanding inquiry or motion is removed from the list of outstanding inquiries and motions.

At the 19 December 2005 meeting, the City of Ottawa's Auditor General submitted a report to the Police Service Board on the results of his Governance Audit of the Board.

The Audit Report contained 27 separate recommendations for improving the governance practices of the Board, including Recommendation 9.1: *that a report be presented as a regular agenda item at each board meeting that lists all the outstanding inquiries and resolutions*. The Police Service Board approved this recommendation as part of a comprehensive plan for implementing the Auditor's recommendations, and the first monthly report was submitted to the Board in March 2006. A similar report has been submitted to the Board at each meeting since that time.

The *Community Safety and Policing Act (CSPA), 2019*, came into force on April 1, 2024. Section 40(1) permits the Board to provide directions to the Chief of Police and Section 40(9) requires the Board to publish such directions on the Internet. In order to meet the requirements of the CSPA, going forward, this report will also capture any directions provided by the Board to the Chief.

To enhance the Board's ability to monitor and track actions stemming from its decisions, this report introduces a new Action Registry. This Registry broadens the scope of the outstanding inquiries and motions report to include not only inquiries requiring follow-up but also all directions issued by the Board to the Chief of Police or Board staff or a Committee. This expanded tracking is justified by the scheduled increase in the Board office's capacity with the hiring of several advisor positions, combined with an expected rise in policy-development activity as part of the Board's adaptation to the Community Safety and Policing Act and other lines of effort, which will require action by staff and, from time to time, Board committees. By centralizing these actions in a single, comprehensive document, the Board can ensure greater accountability and transparency in tracking progress.
