The budget increase will be achieved by the following: - Transferring \$20K from 910551 - Woodroffe Park Fieldhouse to project 910786 - Frank Ryan Park Field House Replacement. - Increasing Ward 7 CIL funding by \$20K (10% temporary planner fee included).
143	908276 2018 Cycling Facilities Program 911010 2023 Cycling Facilities Program	(42,521) 42,521	0 0	0 0	21,685 (21,685)	0 0	20,836 (20,836)	0 0	To transfer funds from 908276 to 911010 to address the budget pressure outlined below. There are 3 projects in the late stages of design under the 2013 Ottawa Cycling Plan projects. It is anticipated that a 20% margin for tender bids that come back higher than the cost estimates. This results in a budget pressure on the Cycling Facilities Program's budgets for 2014-2023. Additional funding is needed in 911010 to make up the budget shortfall.
144	909055 2018 Intersection Control Measures 911658 24-26 Intersection Control Measures - East Area (Defined)	(68,160) 68,160	0 0	0 0	0 0	0 0	68,160 (68,160)	0 0	To transfer funds from 909055 to 911658 to address the budget pressure outlined below. Additional funding is required for the Innes/Lamarche Intersection Control Measures (ICM) project due to unexpected underground utility conflicts and the need for drawing package redesign. These additional budget pressures include the need to daylight a vital gas main on Innes Road and revise the traffic signal design. This work must be completed in Spring 2025 to meet construction timelines.

The Gemini Way sidewalk budget was initially intended to cover a 75 meter sidewalk. Due to an unexpected private development proposed in 2024, the City needs to add an additional 90 meters to create a complete sidewalk network for Gemini Way. Construction of the sidewalk is planned for 2025 and additional funding is required to cover the extended project length.
