Motion No. PWIC PWIC 2025-19-01

Moved by A. Troster

WHEREAS the City recognizes the value that restaurants and entertainment venues generate for our city and the important role they play in creating jobs for our residents; and

WHEREAS the City has historically not enforced paid parking in commercial areas on Sundays or after 5:30 pm; and

WHEREAS the staff report recommends substantial changes to paid-parking practices citywide, which may require some time for residents, business owners and their staff to adjust to;

THEREFORE BE IT RESOLVED that the Adjusting On-Street Hours of Operation section of the Rate Setting Guidelines, as included as Document 3 to the Evening and Weekends Parking Rate Review report (ACS2025-PWD-RPS-0002), be amended as follows:

- **The extent of paid parking in the evening (weekdays and weekends), where warranted, will be 7:30 pm (instead of 9:00 pm)**

- **Weekend daytime and evening parking, where warranted, will be limited to Saturday (instead of both Saturday and Sunday)**

BE IT FURTHER RESOLVED that Parking Services report back to the Public Works and Infrastructure Committee in Q2 2027 on the effectiveness of the measures implemented as part of this report, and with proposed changes they believe may be required when they report back.
