

## AGRICULTURE AND RURAL AFFAIRS COMMITTEE

### TERMS OF REFERENCE

#### MANDATE

The Agriculture and Rural Affairs Committee is responsible for ensuring that the unique interests and requirements of the City's rural areas are taken into account in the decisions made by the City of Ottawa, and ~~identify~~ **for identifying** ways to promote an understanding of rural and agricultural communities and their issues. The committee will **consider staff reports and matters that have significant or distinct rural implications, and** make recommendations to Council on issues and programs pertaining to the agricultural and associated industries, the rural economy, rural residential communities, land development and landscaping, transportation, water, wastewater and stormwater services, and environmental protection. **The committee will address emerging issues, study and remedy longstanding challenges, and help to build a culture of respect and understanding of rural issues and voices.**

#### MEMBERSHIP

Membership of the Agriculture and Rural Affairs Committee shall consist of Members of Council, as appointed by Council. Due to the unique nature of this committee, the majority of the membership shall be composed of Councillors representing wards with a rural component. The Mayor and Chair of Planning and Housing Committee are *ex officio* members of the committee.

#### GENERAL RESPONSIBILITIES

The Agriculture and Rural Affairs Committee shall:

1. Be responsible directly to Council for those items outside of the urban boundary emanating from:
  - a) **The Rural Affairs Office;**
  - b) The Development Review Rural Branch of the Planning, Development and Building Services Department;
  - c) All departments, services and/or branches **on matters that:**
    - i. **Provide a program or service in rural areas that requires special consideration due to unique interests and requirements of those rural areas, and/or**
    - ii. **Are** responsible for issues arising from the rural areas, or with a distinct rural component or impact on rural residents;
  - d) The rural panel of the Committee of Adjustment;

- e) Such entities as the agriculture **industry** and associated industries, rural businesses and rural communities and their residents, for matters that are brought forward and within the area of responsibility of the Agriculture and Rural Affairs Committee; and
  - f) Local boards, agencies and corporations that are created by, and report to, this committee.
2. Ensure coordination and consultation with other standing committees and departments where responsibilities overlap on issues related to the rural areas and on issues relevant to the mandate of more than one **committee. In accordance with Subsection 88(1)(a) of the *Procedure By-law*, where an issue is relevant to the mandate of more than one committee, the Chairs of the respective committees shall determine which committee will be responsible for the issue, whether the issue can be considered by both committees successively, or, alternatively, whether a joint committee meeting should be held.**
  3. Ensure that the meeting agendas are provided to members and the public in advance of the Agriculture and Rural Affairs Committee meeting in accordance with the *Procedure By-law*.
  4. Have the authority to hear briefings on litigious matters related to rural issues and to give direction to the City Solicitor on such matters where it is consistent with current Council direction or policy.
  5. Receive reports from staff regarding the exercise of delegated authority in accordance with the *Delegation of Authority By-law* on items within the committee's mandate.
  6. Consider, for recommendation to Council, operating and capital budget amendments pertaining to items within the committee mandate, subject to the budgetary powers and duties assigned to the head of Council under the *Municipal Act, 2001* and associated regulations and any Council-approved budget process.
  7. Ensure active public participation by receiving delegations from the public, and holding public hearings as required by statute and Council.
  8. Address all matters related to, and arising from, advisory committees or sub-committees under the standing committee's responsibility and that are in line with the established committee and Council strategic plans.
  9. Have the delegated authority to decide matters that are consistent with the application of federal and/or provincial statutes and/or regulations, **or where such authority has been delegated by Council.**
  10. Recommend to Council the City of Ottawa's participation in federal or provincial funding programs or grant proposals for matters within the mandate of the committee, subject to the *Delegation of Authority By-law*.

11. Monitor federal and provincial legislation with a distinct impact on agriculture and its associated industries **and make recommendations to Council on matters related to advocating for rural priorities with other levels of government.**
12. Recommend to Council proposed by-laws that are under the committee's jurisdiction.

## **SPECIFIC RESPONSIBILITIES**

The Agriculture and Rural Affairs Committee shall:

### **Agriculture**

1. Support and encourage the appropriate and sustainable use of land for agriculture, forestry and recreation, and actively encourage the establishment and prosperity of farms and related businesses.
2. Identify and promote specialty-type agricultural operations and businesses such as woodlots, hydroponic greenhouses, orchards and nurseries.
3. Encourage the use of best practices in nutrient management in association with the rural areas and agricultural industry.
4. Encourage the establishment of agricultural operations that are compatible with the quality of life in the rural areas and existing agricultural operations.
5. Encourage strong linkages between the City and federal, provincial and local research facilities in order to benefit from new applications in the agriculture sector.
6. Make recommendations to Council:
  - a. On issues pertaining to agriculture, agri-food, livestock, horticulture, associated industries and related policy matters;
  - b. On matters relating to agri-business including farm labour, large scale agricultural operations, transportation, marketing and promotion of agri-businesses;
  - c. On issues that have significant implications for the rural population including ~~snowmobile and ATV use~~ **all-terrain vehicles, multi-purpose off-highway utility vehicles, recreational off-highway vehicles, and motorized snow vehicles**; hunting and firearms; use of private agriculture land for public recreational purposes; and wildlife management;
  - d. On matters under the *Drainage Act* and serve as the Court of Revision for the purposes of the legislation by reviewing assessment appeals;
  - e. On by-laws, policies and programs that predominantly or uniquely affect agriculture and associated industries, particularly those by-laws that deal with matters under the *Farming and Food Production Protection Act, 1998*, and the *Weed Control Act*;

- f. In relation to the municipal role with respect to the administration of the ~~Livestock, Poultry and Honey Bee Protection Act~~ **Protection of Livestock and Poultry from Dogs Act**;
- g. On the implementation of federal and provincial legislation related to farm practices;
- h. On matters associated with the *Line Fences Act*, such as the *Appointment of Fence Viewers By-law*;
- i. On appointments to fill vacancies on rural entities including rural Business Improvement Areas, the Mohr's Landing/Quyón Port Authority, the rural panel of the Committee of Adjustment, and conservation authorities in the rural areas; **and**
- j. **On matters relating to normal farm practices that require special consideration due to unique interests and requirements of the rural areas.**

### **Conservation, wildlife and forest management**

- 7. Make recommendations to Council:
  - a. On matters respecting the activities of federal and provincial governments as well as conservation authorities, in the management of water, land and associated resources within their jurisdiction and located in the City's rural areas;
  - b. On forest management in the rural areas including identifying the potential of managed forests for enhanced use, and supporting appropriate new forms of development and recreation that contribute to the rural economy;
  - c. On matters associated with rural issues as defined within the *Clean Water Act, 2006* and the *Conservation Authorities Act*;
  - d. On rural tree by-laws enacted under the *Municipal Act, 2001*, and to encourage a high standard of private forest management;
  - e. On issues of rural servicing including water, wastewater and stormwater services;
  - f. On issues pertaining to the recreational use of City-owned properties in rural areas and regulations concerning the discharge of firearms within City limits; and
  - g. On matters with respect to the development of a comprehensive wildlife management strategy for the conservation, management and, where necessary, control of wildlife, in conjunction with the appropriate agencies.

### **Rural land acquisition**

- 8. **Make recommendations to Council on real estate property transactions related to the acquisition of rural lands and buildings required for any**

**purpose of the City of Ottawa and in accordance with the provisions of the *Delegation of Authority By-law* and the *Acquisition of Real Property Policy* and where delegation of authority has been lifted, including but not limited to those funded from the Natural Area Acquisition (Rural) account.**

### **Rural economic development**

9. Promote agricultural fairs and rural exhibitions, and promote the formation and sustainability of markets and direct farm sales.
10. Make recommendations to Council on economic development policies, strategies, and other initiatives that have an impact on the City's rural areas and interests, including tourism.
11. Make recommendations to Council on matters relating to rural Business Improvement Areas as a means to support and promote economic development in the rural areas.

### **Planning and servicing**

12. Encourage the orderly development and management of growth that protects, maintains and strengthens the character of the City's rural areas, including its hamlets and villages, and promotes the concentration of growth within established and planned settlements.
13. Promote a cost-effective, environmentally sound, comprehensive servicing policy for the City's hamlets and villages and designated rural economic development areas.
14. Make recommendations to Council on land use planning, environment and infrastructure **to address diverse rural needs**, including development of private services where policies apply to the City's rural areas.
- 15. Make recommendations to Council on matters relating to rural infrastructure that require special consideration due to unique interests and requirements of the rural areas.**
- 16. Make recommendations to Council on rural ditching oversight and the Rural Ditch Maintenance Levy.**
17. Monitor and make recommendations to Council on agricultural, **rural countryside** and village developments and related policies for the City's rural areas, including its hamlets and villages.
18. Make recommendations to Council on policies related to the location, use and reclamation of future and existing landfill sites, pits and quarries in the rural areas.
19. When applicable, and where delegation of authority has been lifted, review and consider reports on the following matters that are consistent with an adopted Council policy and fall within the mandate of the committee:
  - a. Subdivision and condominium applications;

- b. Extensions of draft plan approvals;
  - c. Approval of Zoning By-laws;
  - d. Land severance applications and minor variances granted by the rural panel of the Committee of Adjustment;
  - e. Official Plan amendments related to the rural areas;
  - f. Official Plan amendments related to Rural Village Boundary Expansions and Urban Boundary expansions where agricultural lands are at issue, in coordination with the Planning and Housing Committee as appropriate;**
  - g. Street openings and closings;
  - h. Street name changes;
  - i. Rural signage and municipal addressing where the street is wholly located in the rural area;
  - j. Administration and enforcement of the *Ontario Building Code*;
  - k. Lifting of 30 cm reserves;
  - l. Lifting of Holding Provisions;
  - m. Signs By-laws, Amendments and Minor Variances; and
  - n. Grant program for offsetting building permit fees for the construction of buildings/structures required as a result of the *Nutrient Management Act, 2002* and other environmental protection legislation.
20. Make recommendations to Council regarding any proposed action applicable to the rural areas that varies from the action taken by staff pursuant to delegated authority.

### **Development Charges**

- 21. Review and make recommendations to Council on all front-ending agreements pertaining to items within the mandate of this committee.
- 22. Review and make recommendations to Planning and Housing Committee and/or Council on rural issues pertaining to the *Development Charges Act, 1997*.
- 23. Review and make recommendations to Planning and Housing Committee and/or Council on the general enactment of the *Development Charges By-law* in rural areas.
- 24. Review and make recommendations to Council on development charges complaints respecting properties in the rural area.

### **Transportation and transit**

- 25. Review transportation policy matters specifically related to rural areas outside the urban boundary and make recommendations to Council on transportation matters to reflect the distinct context of rural living, agricultural industry and rural businesses.**

26. Make recommendations to Council on all **other** transportation matters as they relate to the rural areas **outside the urban boundary**, including parking, one-way designations, road accesses, intersection **signals and** improvements, sidewalks and pedestrian paths, streetscapes, speed zoning, and traffic calming measures.
- 27. Make recommendations to Transit Committee and Council on public transit matters as they relate to the rural areas outside the Urban Transit Area (UTA), including rural bus service, light rail service, Para Transpo, and park and ride lots.**
- 28. Consider and approve applications for road closure in the rural areas outside the urban boundary, where an objection has been received pursuant to the *Delegation of Authority By-law*.**

### **Heritage**

29. Make recommendations to Council on heritage protection in the rural areas through applications and proposals brought forward by the Built Heritage Committee for designation under the *Ontario Heritage Act*, where there is an associated planning application.
30. Make recommendations to the Built Heritage Committee, where applicable, on general heritage matters including the development and implementation of heritage policies, by-laws, strategies and programs applicable to the rural areas.

### **Local Improvements**

31. Consideration of reports arising from a petition for Local Improvements within the rural area.

### **Grant funding**

32. Review and make recommendations to Council on grant and funding programs, as established by Council, with a focus on the rural areas **and funding programs supporting rural partners and organizations.**
- 33. Approve allocations under the Rural Community-Building Grants Program.**

### **Other specific responsibilities**

34. Monitor action items and review feedback arising from Rural Summits and any similar initiatives.
35. Review and recommend to Council revisions to the Agriculture and Rural Affairs Committee Terms of Reference, as required.
36. Review and make recommendations to Council regarding applicable matters under the Commemorative Naming Policy relating to eligible municipal assets in rural areas.

37. Recommend, for approval by Council, the membership and participation of its Members as municipal representatives in relevant public associations and other government organizations, such as the Rural Ontario Municipal Association (ROMA), which are not undertaken through the Nominating Committee process or by Council directly.
38. Pursuant to the *Delegation of Authority By-law*, approve Councillors' travel and attendance at conferences that are related to the committee's mandate.
