**RE: TREE INFORMATION REPORT FOR 5 LADOUCEUR STREET, OTTAWA**

Dear Joseph,

Further to your request, this brief letter provides a review of the above noted address in terms of tree information in support of the construction of a detached garage at 7 Ladouceur Street in Ottawa. The need for this report is related to trees protected under the City of Ottawa's Tree Protection By-law (By-law No. 2020-340).

I can confirm the property holds no 'distinctive' trees, those 30cm in diameter or greater, nor are there any similar-sized trees on adjacent private property which could be impacted by the proposed construction (see picture 1 on page 2). Further, no trees are present on nearby city-owned land. Consequently, there are no relevant trees to report.

Please do not hesitate to contact me with any questions or comments you may have.

Yours,

Andrew K. Boyd, B.Sc.F, R.P.F. (#1828)
