

Dear Mr. Bureau,

Please accept this letter of intent as a formal declaration of the Centretown BIAs readiness and commitment to expand the boundaries of the area we directly serve.

For many years, the Centretown BIA (formerly known as the Bank Street BIA) has remained dedicated to supporting the businesses, commercial property owners, and vibrant communities that define Centretown.

In recent years, our neighbourhood has faced an unprecedented series of challenges. Throughout these moments, the Centretown BIA has responded with swift action, strong advocacy, and unwavering determination in support of our members. We are confident that our efforts have played a vital role in helping the community navigate and overcome these difficulties.

This proposed expansion reflects our long-term commitment to the economic vitality and sustainability of Centretown as a whole. Our decision is informed by a thoughtful and proactive approach to community development, and by our demonstrated support for business outside our current boundaries. From extending social media visibility to fostering relationships with non-member stakeholders, we have already taken steps that show Centretown is ready and able to support a broader area for the collective benefit of the community.

With this expansion, we aim to deepen our impact and broaden the reach of our services. We shall deliver a stronger and more lasting benefit to Centretown, thereby advancing its prosperity and reinforcing its sense of place as a thriving and unified urban destination for all.

Sincerely,

Board of Directors
Centretown Business Improvement Area
