APPENDIX A

1. That the Owner(s) provide proof, to the satisfaction of the **Manager of Development Review All Wards Branch within Planning, Development and Building Services Department, or their designate**, that each existing parcel has its own well, independent private sewage system, and storm/foundation drainage and that they do not cross the proposed severance line. If the systems do cross, are not independent, or do not meet the minimum spacing requirements of the Ontario Building Code and City of Ottawa Hydrogeological and Terrain Analysis Guidelines, the Owner(s) will be required, at their own cost, to relocate the existing systems or construct new systems.
2. That the Owner(s) satisfy the **Chief Building Official, or designate**, by providing design drawings or other documentation prepared by a qualified designer, that as a result of the proposed severance the existing garage on Part 1 on 50M-187 shall comply with the Ontario Building Code, O. Reg. 163/24 as amended, in regards to the limiting distance along the proposed North property line. If necessary, a building permit shall be obtained from Building Code Services for any required alterations. Additionally, the owner is to confirm that the existing garage was originally established by way of building permit.
3. That the Owner file with the Secretary-Treasurer of the Committee of Adjustment the following:
 - a. A copy of the Reference Plan and/or legal description of the severed land and the deed or Instrument conveying the severed land to the owner of the abutting property to the _____, known municipally as _____, so that no new lot is being created, in accordance with paragraph (b) below;
 - b. A Certificate of Official attached to the deed/transfer required by paragraph (a) above containing the following endorsement:

“The lands to be severed are for the purpose of a lot addition only to the abutting lands owned by *(insert name)* described as PIN *(insert property identification number)* being Part(s) *(insert numbers)* on Plan *(insert plan number)*, not for the creation of a new lot, and any subsequent transfer, charge or other transaction involving the lands to be severed shall be subject to compliance with Section 50(3) or Section 50(5) of the *Planning Act*, as applicable. Neither the lands to be severed nor the abutting lands are to be transferred, charged or otherwise re-conveyed in the future without the other parcel unless a further consent is obtained.

The Owner shall cause the lands to be severed to be consolidated on title with the abutting lands and for this condition to be entered on the parcel register for the consolidated parcel as a restriction”;
 - c. An Undertaking from a solicitor authorized to practice law in the Province of Ontario, and in good standing with the Law Society of Upper Canada, as follows:

“In consideration of, and notwithstanding the issuance of the Certificate under Section 50(12) of the *Planning Act* in respect to the subject Application for Consent, I undertake on behalf of the Owner, within **60 days** of the registration on title of the transfer document containing the endorsement set out in the Certificate of Official issued by the Committee of Adjustment, to file an Application to Consolidate Parcels including the severed land (Part of PIN *(insert number)* and the abutting land (PIN *insert number*). This PIN consolidation is intended to reinforce the *Planning Act* stipulation in the condition outlined above that both parcels have merged on Title and cannot be conveyed separately in the future. I further undertake to forward a copy of the registered Application to Consolidate Parcels and a copy of the Consolidated Parcel abstract page(s) to the Committee office within 21 days of the registration of the Application to Consolidate Parcels”.

- d. Where the parcel consolidation stipulated in paragraph (b) and the solicitor's Undertaking in paragraph (c) above cannot be reasonably completed because the parcels of land to be merged have different estate qualifiers, an Application to Annex Restrictive Covenant under the *Land Titles Act* must be registered on the Title of both the severed lands and on the abutting parcel that is to be merged. The Covenant, which is to be to the satisfaction of the Secretary-Treasurer of the Committee, shall advise all future purchasers that the parcels must be dealt with together and not separately, and contain wording set out below or similar wording acceptable to the Secretary-Treasurer of the Committee:

“These lands have been merged and may not be dealt with separately, without applying for a Consent of the Committee of Adjustment”.

In lieu of the Undertaking provided in paragraph (c), a replacement Undertaking by the solicitor must be filed undertaking on behalf of the Owner to register the Restrictive Covenant on both property Titles within 60 days of the registration of the transfer document containing the endorsement of the Certificate of Official issued by the Committee of Adjustment for this application and to file a copy of the registered Restrictive Covenant with the Committee within 21 days of the registration of the document. .

4. That the Owner(s) file with the Committee a copy of the registered Reference Plan prepared by an Ontario Land Surveyor registered in the Province of Ontario, and signed by the Registrar, **confirming the frontage and area of the severed land. If the Registered Plan does not indicate the lot area, a letter from the Surveyor confirming the area is required.** The Registered Reference Plan must conform substantially to the Draft Reference Plan filed with the Application for Consent to the satisfaction of the **Secretary-Treasurer of the Committee of Adjustment or their designate.**
5. That upon completion of the above conditions, and **within the two-year period outlined above**, the Owner(s) file with the Committee, the “electronic registration in preparation documents” for a lot line adjustment for which the Consent is required to

the satisfaction of the **Secretary-Treasurer of the Committee of Adjustment or their designate.**
