Report Date: April 2, 2026
Hearing Date: April 7, 2026
Planner: Nick Burnie
Official Plan Designation: Inner Urban Transect, Mainstreet Corridor Designation
Zoning By-law 2008-250: AM10[2196]
Zoning By-law 2026-50: MS2[2196]

DEPARTMENT COMMENTS

The Planning, Development and Building Services Department **has no concerns with** the application.

DISCUSSION AND RATIONALE

Section 53 (12) of the *Planning Act*, R.S.O. 1990, c. P.13, as amended, permits the criteria for the subdivision of land listed in Section 51 (24) to be considered when determining whether provisional consent may be granted by a committee of adjustment. With respect to the criteria listed in Section 51 (24), staff have no concerns with the proposed consent.

ADDITIONAL COMMENTS

Right of Way Management

A Private approach permit is required to construct any newly created, temporary or modified driveway/approaches or close redundant approaches. Please contact the ROW Department for any additional information at rowadmin@ottawa.ca or visit the City webpage "Driveways | City of Ottawa" to submit a Private Approach application.

CONDITIONS

If approved, the Planning, Development, and Building Services Department requests that the Committee of Adjustment impose the following conditions on the application:

1. That the Owner(s) provide a servicing plan or other proof, to the satisfaction of the Manager of Development Review All Wards Branch within Planning, Development and Building Services Department, or their designate, that each existing building and/or unit on the severed and retained parcels has its own independent water, sanitary and sewer connection, as appropriate, that are directly connected to City infrastructure and do not cross the proposed severance line.

If the services are shared, and there is sufficient justification for the service locations to remain, the Owner(s) may be required to obtain all necessary approvals from the Ontario Ministry of Environment, Conservation and Parks, the approval of the Committee to grant easement(s) for access and maintenance of the services, and/or to register on title, a Joint Use and Maintenance Agreement, between the Owners of the services, which shall be at their own costs.

The Owner(s) may be required to enter into a Development Agreement with the City, at the expense of the Owner(s), to cover these required items as well as all engineering, administrative and financial matters. The Committee shall be provided a copy of the Agreement and written confirmation from City Legal Services that it has been registered on title.

2. That the Owner(s) provide proof that a grading and drainage plan, prepared by a qualified Civil Engineer, licensed in the Province of Ontario, an Ontario Land Surveyor or a Certified Engineering Technologist, delineating the existing and proposed grades for both the severed and retained lands has been provided to the satisfaction of the Manager of Development Review All Wards Branch within Planning, Development and Building Services Department, or their designate.
