RE: TREE INFORMATION REPORT FOR 884-886 BYRON AVENUE. OTTAWA

Dear Tony,

Further to your request, this brief letter provides a review of the above noted addresses in terms of tree information. The need for this report is related to trees protected under the City of Ottawa's Tree Protection By-law (By-law No. 2020-340).

I can confirm the property around the multi-unit building now present holds no 'distinctive' trees, those 30cm in diameter or greater, nor are there any similar-sized trees close by on adjacent private property. Further, no trees are present on nearby city-owned land. Consequently, there are no relevant trees to report.

Please do not hesitate to contact me with any questions or comments you may have.

Yours,
