#### **Criteria**

(24) In considering a draft plan of subdivision, regard shall be had, among other matters, to the health, safety, convenience, accessibility for persons with disabilities and welfare of the present and future inhabitants of the municipality and to,

- j) the adequacy of school sites;
- k) the area of land, if any, within the proposed subdivision that, exclusive of highways, is to be conveyed or dedicated for public purposes;
- l) the extent to which the plan's design optimizes the available supply, means of supplying, efficient use and conservation of energy; and
- m) the interrelationship between the design of the proposed plan of subdivision and site plan control matters relating to any development on the land, if the land is also located within a site plan control area designated under subsection 41 (2) of this Act or subsection 114 (2) of the City of Toronto Act, 2006. 1994, c. 23, s. 30; 2001, c. 32, s. 31 (2); 2006, c. 23, s. 22 (3, 4); 2016, c. 25, Sched. 4, s. 8 (2).

### Effect of Submissions on Decision

- [10] The Committee considered all written and oral submissions relating to the application in making its decision and granted the application.
- [11] The Committee notes that the City's Planning Report raises "no concerns" regarding the application, subject to the requested conditions agreed to by the Applicant's agent.
- [12] Based on the evidence, the Committee is satisfied that the proposal is consistent with the *Provincial Planning Statement, 2024*, that promotes building homes, sustaining strong communities; providing infrastructure and public service facilities in an efficient manner while accommodating projected needs; the wise use and management of resources; and, protecting public health and safety.
- [13] The Committee is also satisfied that the proposal has adequate regard to matters of provincial interest, including the orderly development of safe and healthy communities; the appropriate location of growth and development; and the protection of public health and safety.
- [14] Additionally, the Committee is satisfied that a plan of subdivision of the land is not necessary for the proper and orderly development of the municipality.
- [15] Moreover, the Committee is satisfied that the proposal has adequate regard for the criteria specified under subsection 51(24) of the *Planning Act* and is in the public interest.
- [16] **THE COMMITTEE OF ADJUSTMENT ORDERS** that the application is granted and the provisional consent is to be given, subject to the conditions set out in Appendix A to this decision.
