**Suite aux délibérations du jury de sélection, que le Comité des services communautaires et de protection recommande au Conseil d'approuver les nominations de Wayne Antle, Adele Furrie et Mustafa Al-Humairi au Comité consultatif sur l'accessibilité. ## **BACKGROUND**

The Council-approved Appointment Policy for Citizen Members of City Advisory Committees, Boards and Task Forces, and External Boards, Commissions and Authorities, revised and approved by City Council on December 5<sup>th</sup>, 2018, outlines the process and requirements for recruiting citizen members to the City's Advisory Committees, Boards and Task Forces, as well as to its External Boards, Commissions and Authorities, for which members are required.

## **DISCUSSION**

The Office of the City Clerk received notification of three vacancies from members of the Accessibility Advisory Committee. Although there is one member remaining on the reserve list, he advised that he is unable to commit in attending regular advisory committee meetings. Therefore, the Selection Panel was requested to review the existing pool of applicants from the 2018 recruitment and interviewed five candidates on January 18 and January 25, 2022.

The Selection Panel has now recommended appointment of three voting members as noted in the recommendation.

The Selection Panel for the Accessibility Advisory Committee consisted of Councillors Matt Luloff, Laura Dudas, Eli El-Chantiry and Robyn Guest on behalf of Mayor Jim Watson as ex officio.

## **FINANCIAL IMPLICATIONS**

## **LEGAL IMPLICATIONS**

There are no legal impediments to the implementation of the recommendation in this report.

As part of the process to be more proactively transparent about its appointment process, Council passed the following Recommendation No. 9 in Part I of its 2010-2014 Governance Review:

**The changes to report protocols for Appointments to Agencies, Boards, Committees and Commissions, Commemorative Namings and City of Ottawa Architectural Conservations Awards and the City of Ottawa Heritage Plaques as described in this report, such that they are no longer automatically in camera reports [emphasis added].**

Since Council enacted this change on December 8, 2010, few privacy issues have arisen. However, should a Member of Council wish to address any issue arising from such reports, it is suggested that they contact the City Clerk in advance of any meeting to discuss whether or not their concerns should be addressed in open or closed session.

## **ACCESSIBILITY IMPACTS**

The Accessibility Advisory Committee shall be organized as follows, with a total maximum membership between 9-15:

- In keeping with the requirements of the *Accessibility for Ontarians with Disabilities Act, 2005*, a majority the members of the committee shall be residents with disabilities.
- At least two (2) members would be residents who are 60 years of age or older
- As much as practicable, the membership should reflect the City's diverse population.
- The membership shall also include one (1) Member of Council in a liaison capacity.

Members each bring a unique accessibility lens to the work of the Committee, which allows the City to consider diverse perspectives and experiences of persons with disabilities. Many aspects of the AAC's workplan serve to fulfill the requirements of the AODA. Additionally, staff may consult the AAC on master plans and projects that have a high impact on persons with disabilities.
