RECOMMANDATIONS DU RAPPORT

présent rapport.**

BACKGROUND

Legal Services within the Innovative Client Services Department is a full-service, in-house law practice that provides a broad range of services to the Police Services Board in the areas of civil litigation, labour and employment law, procedural and general legal advice, and corporate/commercial/development and environmental law. Legal Services' objective is to achieve this through the most cost-effective and efficient combination of both in-house and external lawyers. With respect to external lawyers, Legal Services has a strategic standing offer with multiple law firms for the provision of external legal services. The new standing offer was negotiated for the period 2019-2022 and provides favourable, hourly rates set for the duration of the four-year term.

Pursuant to Section 6.1 of Board Policy #GA-8 – Legal Services, the Board Solicitor shall submit a report to the Board on a quarterly basis that includes statistical information and concise analysis of trends on:

1. Positive and negative variances against the approved budget
2. All claims or actions filed against the Board including how many have been filed, how many are outstanding, how many have been settled, the nature of them (categorized by type), and the cost of settlements
3. The number, cost and outcome of all appeals and applications for judicial review
4. Any issues of significance the Board should be advised of

In compliance with Section 6.1, this report provides the requested information with respect to the second quarter of 2022.

In according to the direction of the Board at its April 23, 2018 meeting, the report has been revised to include a year-over-year comparison of data, at each quarter, with respect to the budgetary spending and various categories of claims managed.

DISCUSSION

2022 Budget

The Police Services Board has allocated \$328,100 for the provision of legal services in 2022. At the completion of the second quarter \$254,640 or approximately 78 percent of the budget was spent, compared with \$24,095 or approximately seven percent at the same point in time in the previous year. The following chart sets out expenditures for the entire year to date. The costs reflect the significant staff time devoted to representing the Board, both at trial as well as at mediations, discoveries, and settlement conferences.

Table 1 - Ottawa Police Service - costs of legal services, Q2 2021 vs. Q2 2022

Item	Q1		Q2

The table, above, reflects the cost of the provision of internal and external legal services against the approved budget, including the HST municipal rebate.

2022 litigation claims

Three Statement of Claims were received on behalf of the Police Services Board in the second quarter of 2022, compared with three Statement of Claims received during the same period, the previous year. There are currently 71 outstanding claims/notices of claim against the Board, compared with 53 outstanding claims/notices at the same point in the previous year. Due to a number of reasons including direction by the Board's insurer, the requirement for specialized legal expertise, or capacity constraints, 47 of those claims are with external legal counsel. The remaining 24 claims are assigned to various in-house legal counsel. The following list sets out the number of current litigated claims by category or type.

Beginning in the first quarter of 2013, Legal Services started including motor vehicle accident claims involving police vehicles within its quarterly report to the Police Services Board. Though the City of Ottawa, as the registered owner of those vehicles, is frequently named or included as a party in those claims, in keeping with the accident insurance scheme in Ontario, the inclusion of motor vehicle accident claims within the quarterly reports will provide a more accurate summary of all outstanding litigation affecting the Board.
