

COMMITTEE OF ADJUSTMENT OF THE CITY OF OTTAWA

DECISION MINOR VARIANCE / PERMISSION (Section 45 of the *Planning Act*)

File No.: D08-02-22/A-00222
Owner(s): Kevin Terrion and Jenepher Lennox-Terrion
Location: 427 Mansfield
Ward: 15-Kitchissippi
Legal Description: Lot 190, Part Lot 189
Zoning: R10
Zoning By-law: 2008-250

Notice was given and a Public Hearing was held on **August 17, 2022**, as required by the *Planning Act*.

PURPOSE OF THE APPLICATION:

The Owner wants to enclose a portion of the existing porch at the front of the property, as shown on plans file with the Committee.

RELIEF REQUIRED:

The Owners require the Authority of the Committee for a Minor Variance from the Zoning By-Law to permit a reduced front yard setback of 4.2 metres whereas the By-Law requires a minimum front yard setback of 6.0 metres.

The application indicates that the property is not the subject of any other current application under the *Planning Act*.

PUBLIC HEARING:

The Panel Chair administered an oath to Jacques Hamel, Agent for the Owners, who confirmed that the statutory notice posting requirements were satisfied.

In attendance was Rachael Boudreau, also acting as Agent for the Owners.

DECISION AND REASONS OF THE COMMITTEE: APPLICATION GRANTED

The Committee considered any written and oral submissions relating to the application in making its Decision.

The Committee has the power to authorize a minor variance from the provisions of the Zoning By-law if, in its opinion, the application meets all four requirements under subsection 45(1) of the *Planning Act*. It requires consideration of whether the variance is minor, is desirable for the appropriate development or use of the land, building or structure, and whether the general intent and purpose of the Official Plan and the Zoning By-law are maintained.

Based on the evidence, the Committee is satisfied that the requested variance meets all four requirements under subsection 45(1) of the *Planning Act*.

The Committee notes that the City's planning report raises "no concerns" regarding the application, highlighting that "the proposed variance seeks to sensitively adapt the existing home to the growing needs of the homeowners without impacts to the streetscape". The evidence revealed that "there is evidence of a number of homes with front yard setbacks similar to, or less than, the setback proposed".

The Committee also notes that no evidence was presented that the variance would result in any unacceptable adverse impact on neighbouring properties.

Considering the circumstances, the Committee finds that, because the proposal fits well in the area, the requested variance is, from a planning and public interest point of view, desirable for the appropriate development or use of the land, building or structure on the property, and relative to the neighbouring lands. The Committee also finds that, because the proposal respects the character of the area, the requested variance maintains the general intent and purpose of the Official Plan. In addition, the Committee finds that the requested variance maintains the general intent and purpose of the Zoning By-law because the proposal represents orderly development of the property that is compatible with the surrounding area. Moreover, the Committee finds that the requested variance is minor because it will not create any unacceptable adverse impact on abutting properties or the neighbourhood in general.

The Committee therefore authorizes the requested variance, **subject to** the location and size of the proposed construction being in accordance with the plans filed, Committee of Adjustment date stamped July 21, 2022, as they relate to the requested variance.
