REPORT RECOMMENDATION

That the Ottawa Public Library Board receive the 2021 Financial Statements.

RECOMMANDATION DU RAPPORT

**Que le Conseil d'administration de la Bibliothèque publique d'Ottawa prenne
connaissance du rapport financier 2021.**

BACKGROUND

Ottawa Public Library (OPL) is required to produce audited annual financial statements as a condition to receiving the Ontario Ministry of Heritage, Sport, Tourism and Culture Industries (MHSTC) Public Library Operating, Pay Equity, and First Nations Salary Supplement Grant, commonly referred to as the "PLOG". *The Municipal Act, 2001*, s. 296 (11) states that it is acceptable for an external board to supply its financial information in a consolidated audited municipal financial statement so long as the financial information on the external board is provided in a separate schedule or

appendix for the benefit of the external board. Additionally, *The Municipal Act, 2001*, s. 296 (12) states that an external [library] board is not required to have its own auditor. Accordingly, at its meeting on November 20, 2006, the OPL Board consolidated the annual financial audit into the overall municipal audit and no longer completes its own audited financial statement. (Appendix 1 attached)

The Accounting Branch of the City of Ottawa's Corporate Financial Service Department, in support of The Municipal Act, 2001, prepares an appendix (Appendix 2 attached) that includes detailed information of revenues, expenditures, and reserves. This detailed information is considered to be unaudited although summary of the detailed information in the appendix supports the condensed totals included in the consolidated audited municipal financial statement.

The purpose of this report is to provide the Board with the 2021 audited financial statements.

DISCUSSION

Attached in Appendix 1 is a copy of the OPL schedule that formed part of the audited 2021 City of Ottawa Consolidated Financial Statements (Appendix 3), provided to Ottawa City Council on June 22, 2022. This schedule format has been approved by the Province.

In 2021, the Province of Ontario (Province) opened the PLOG application process in mid-August with an anticipated completion of the program prior to the end of the 2021 fiscal year-end. It is anticipated that similar timelines will apply through the balance of the 2022 fiscal year. The OPL unaudited financial statements are attached in Appendix 2 to provide more detailed, supplemental information to the Board.
