OBJET: Délégation de pouvoir – Contrats accordés pour la période du 1^{er} janvier au 30 juin 2022

REPORT RECOMMENDATION

That the Board of Health for the City of Ottawa Health Unit receive this report for information.

RECOMMANDATION DU RAPPORT

Que le Conseil de santé de la circonscription sanitaire de la ville d'Ottawa prenne connaissance de ce rapport à titre d'information.

BACKGROUND

The purpose of this report is to present to the Board a review of delegation of authority contracts awarded for the period of January 1, 2022 to June 30, 2022.

The Delegation of Authority By-law delegates certain authorities related to financial, legal, and organizational matters. With respect to financial matters, the by-law states that the Medical Officer of Health is authorized to approve, amend, extend and execute service agreements and funding agreements.

The City's Purchasing By-law, being By-law No. 50 of 2000, requires reporting on a semi-annual basis of delegation of authority reports. Purchasing activities associated with the Purchasing By-law over \$25,000 are included in this report.

In previous years, the Delegation of Authority Report has been developed using data based on Purchase Orders issued within the Delegation of Authority period. The new procurement system, Ariba, provides the option to report the total expected expenditures of the contract, including optional years approved but not committed, which better aligns with the requirement of the bylaw.

DISCUSSION

Summary of Q1 & Q2 2022 Purchasing Activity

The contracts over \$25,000 approved for the period of January 1, 2022 to June 30, 2022 are listed in Document 1 of this report and summarized in Table 1 below. A total of 10 contract approvals exceeding \$25,000 were awarded during this period, for a total value of \$1,088,187.11.

Table 1: Q1 & Q2 2022 Purchases by Type

Goods/Materials/Services	8	\$993,737.11
Professional Services	2	\$94,450.00

Prior to contract approval, the City of Ottawa's Supply Branch confirms that the appropriate funds are available within the departmental budget, as availability of funds is a condition of approval under the City's Purchasing By-law.

The Supply Branch certifies that all the contracts awarded under Delegation of Authority for the period of January 1, 2022 to June 30, 2022, are in compliance with the Purchasing By-law.
