The Committee heard from the following delegation:

David Robertson, Bike Ottawa spoke to the importance of bike sharing and provided examples of how the program works around the world as well as suggestions on how it could work in Ottawa. The delegation provided written comments which are held on file with the Office of the City Clerk.

Following questions of the delegation and staff, the Committee CARRIED the staff recommendation as presented with the following direction to staff:

Direction to Staff

That staff continue to look at options to fund bike share in Ottawa as a critical transportation link to Ottawa's new LRT and ensure continuity on the work done to date while allowing time for the bike parking strategy to be implemented and provide additional insight on the status of the parking reserve and funding commitments
