#### BACKGROUND

The purpose of this report is to present to the Board a review of delegation of authority contracts awarded for the period of July 1, 2017 to December 31, 2017.

The Delegation of Authority By-law delegates certain authorities related to financial, legal, and organizational matters. In relation to financial matters, the by-law states that the Medical Officer of Health is authorized to approve, amend, extend and execute service agreements and funding agreements.

The City's Purchasing By-law, being By-law No. 50 of 2000, requires reporting on a biannual basis of delegation of authority reports. Purchasing activities associated with the Purchasing By-law over \$25,000 are included in this report.
