WHEREAS The recent Ontario budget has cut funding to Legal Aid Ontario (LAO) by \$133 million, retroactive to April 1, 2019; and

WHEREAS the budget cut to the LAO budget will have a direct negative impact on the budget of *Community Legal Services of Ottawa* and on the services, they provide to our most vulnerable residents including low-income families, people with disabilities, newcomers to Ottawa, our elderly residents, and the homeless and result in a further burdening on the City of Ottawa Social Services and Housing Sector; and

WHEREAS at its meeting of June 27, 2018, Council adopted the following recommendation in respect of the redevelopment of the Chateau Laurier at 1 Rideau Street:

That Council:

1. approve the application to alter the Château Laurier, 1 Rideau Street, a property designated under Part IV of the Ontario Heritage Act, based on plans received on May 9 and 30, 2018, on the condition that staff be directed to work with the applicant to make the proposed addition more visually compatible with the existing Chateau Laurier, prior to site plan approval, as follows:
 - a. meaningfully increasing the use of Indiana limestone cladding on the building exterior to reduce its contrast and enhance its bond with the existing building;
 - b. modifying the addition by sculpting, recessing, and breaking up the unrelieved uniformity of the north façade using elements and forms that

- are specifically drawn from, and relate to, the existing Chateau Laurier's rich palette of forms;
- c. altering the architectural expression on the north, west and east facades to introduce fenestration patterns, details and geometric proportions that are specifically drawn from, and relate to, the existing Chateau Laurier's elements;
 - d. the applicant revise the plans received on May 9 and May 30, 2018 to reflect the design changes outlined above; and,
 - e. the General Manager of the Planning, Infrastructure and Economic Development Department be delegated the authority to approve such design changes to the heritage permit;

WHEREAS the Château Laurier is an iconic, prominent, and much beloved architectural and historic landmark in the City of Ottawa and the National Capital Region;

WHEREAS the Château Laurier is a Historic Place designated under Part IV of the Ontario Heritage Act, a National Historic Site, and an irreplaceable element in the visual setting of the Rideau Canal UNESCO World Heritage Site, the Parliamentary Precinct, Major's Hill Park, Confederation Square and Confederation Boulevard, and;

WHEREAS City Council adopted the Parks Canada's document 'Standards and Guidelines for the Conservation of Historic Places in Canada' in 2008, and;

WHEREAS Standard 11 of that document states that the additions must be "physically and visually compatible with the historic place"; and

WHEREAS "compatible" is generally agreed to mean "able to exist or work together without conflict";

WHEREAS the proposed addition is not sufficiently visually compatible with the Chateau Laurier, a historic place; and,

WHEREAS modifications to the design of the proposed addition are necessary to ensure its visual compatibility with the existing Chateau Laurier, an iconic heritage landmark in the City of Ottawa and the National Capital as per City Council's direction on June 27, 2018;

WHEREAS: the Applicant has failed to respect the subtle verticality of the existing building, by providing a dominant vertical expression in the addition, which fails to be subordinate to the existing building, therefore failing to incorporate the geometric proportions appropriately; and

WHEREAS, the Applicant has failed to meet the conditions set by Council in June 2018, notably the “Modification of the design for visual compatibility with the historic hotel, by referencing such elements as patterns, details and proportions of the Château Laurier by ensuring that the application is compliant with the Standards and Guidelines for the Conservation of Historic Places,

BE IT RESOLVED THAT Council:

- 1. determines that the applicant has failed to fulfil the conditions imposed by Council in respect of the application for approval to alter at 1 Rideau Street;**
