REPORT RECOMMENDATION:

That the Standing Committee on Environmental Protection, Water and Waste Management recommend that Council endorse the draft comments contained in Document 1 and direct staff to submit report ACS2019-PWE-GEN-0024 to the Ministry of Environment, Conservation and Parks as the City's final comments.

At the request of the Chair, Ms Marilyn Journeaux, Director, Solid Waste Services, Public Works and Environmental Services Department, explained that staff were supportive of the directions being taken by the Province with regard to waste management, and that staff were seeking Council's endorsement of draft comments the City had submitted to the Province in advance of its 20 April 2019 deadline.

In response to a question as to when feedback could be expected on the City's comments, Ms Journeaux said that the Province was to report by the end of July on directions with regard to waste management.

There being no further discussion, the report recommendation was put before the Committee and was "CARRIED" as presented.
