### REPORT RECOMMENDATION

That the Audit Committee recommends Council approve the Sinking Fund Financial Statements for 2016.

## RECOMMANDATION DU RAPPORT

Que le Comité de vérification recommande au Conseil d'approuver les états financiers du fonds d'amortissement de 2016.

#### **BACKGROUND**

When a sinking fund or term debenture is issued, an annual levy contribution is required to be made by the City to a sinking fund, which together with interest earnings derived from the investment of these funds, will accumulate to an amount that will be sufficient to pay the debentures principal balance owing at the maturity.

When the sinking fund balance is in excess of the principal amount of the debenture issue at the maturity date, that excess may be transferred to the City general fund in accordance with section 409 of the Ontario *Municipal Act*, 2001.

When the forecasted Sinking Fund balance, factoring in future levy contributions and expected future interest earnings, is anticipated to be in excess of the principal amount of the debenture issue due at maturity, Council may reduce the annual levy contribution in accordance with Section 409 of the Ontario *Municipal Act*, 2001

#### DISCUSSION

The accounts for the sinking fund have been closed and audited for the year ending December 31, 2016. The value of the Sinking Fund portfolio including short-term investments (cash) as at December 31, 2016 was \$104.34 million on an amortized cost basis and the market value was \$107.98 million. The portfolio exceeds the actuarial requirements of \$102.32 million which is the minimum amount required as at December 31, 2016, to accumulate sufficient funds to meet total sinking fund debentures at maturity. Total outstanding Sinking Fund Commitments of \$1,031.84 million mature from 2018 to 2053. A new commitment of \$170.00 million was added in 2016.

The Audited Financial Statements are attached as Document 1. The Statements will be signed by the Auditor after they have been approved by Council. A signed communication provided by the Auditor describing their audit of the Sinking Fund Financial Statements is included in Document 2.
